## CHAIRMAN'S STATEMENT

### INTRODUCTION

On behalf of the Board of Directors of Hotel Grand Central Limited, I would like to present the Annual Report and Financial Statements of the Group for the financial year ended 31 December 2021 and the Balance Sheet and Statement of Changes in Equity of the Company as at 31 December 2021.

I am pleased to report that due to the efforts of everyone within the Group as well as support from the various governments, we managed to turn in a profit amidst a very difficult trading year due to the unresolved worldwide COVID-19 pandemic situation in 2021.

### OPERATIONS AND FINANCIAL REVIEW

#### GROUP REVENUE

The Group's revenue for the financial year ended 31 December 2021 increased 32% to \$123.1 million (2020: \$93.1 million) compared to the preceding financial year. The increase was mainly due to higher turnover at the Group's hotels. Hotels in Australia in particular saw growth because of return of domestic travelling and some were able to continue to participate in government led efforts to accommodate quarantined guests or essential workers during the year. Investment properties continued to provide stable rental revenue to the Group.

#### *Increase in Singapore Revenue*

The turnover in Singapore increased over 2020 largely due to some recovery in occupancy and room rates. Singapore which closed its borders to all arrivals since April 2020 began to relax border restrictions in the 4th quarter of 2021. One of the Singapore hotel remained as Government Quarantine Facility.

#### *Increase in New Zealand Revenue*

New Zealand's hotel revenue which recovered strongly in the 1st half of 2021 tapered in the 2nd half of 2021 as the government continued to pursue a Zero Covid policy. Auckland was lockdown since the 2nd half of 2021 and the border remain closed. The country had closed its borders since March 2020.

The investment properties in New Zealand however, provided a stable base of income.

#### *Increase in Australia Revenue*

The Australia hotels performed better compared to last year due to improved domestic leisure and business travelling. International traveling remain subdued due to border closures since April 2020. Two hotels in Australia, namely Brisbane and Adelaide participated as quarantine hotels.

The performance of the investment property was also stable compared to last year.

#### *Increase in China Revenue*

The China revenue increased during the year due to stronger market conditions as it recovered from the effects of COVID-19. The lockdown situation in China started earlier in January 2020.

#### *Decrease in Malaysia Revenue*

The Malaysia revenue decreased significantly during the year mainly due to the lockdown in Malaysia.

### GROUP EARNINGS

The Group's profit net of tax decreased to \$14.0 million (2020: \$37.3 million) despite higher revenue.

The decreased profit was mainly due to the following:

1. Net fair value loss on investment properties of \$1.5 million (2020: gain of \$14.3 million)
2. Gain on disposal of the PWC Centre of \$8.1 million in the preceding year
3. Foreign exchange loss of \$3.3 million (2020: gain of \$7.1 million)

Overall, the earnings per share of the Group was 1.91 cents compared to 5.14 cents in 2020.

## CHAIRMAN'S STATEMENT

### FINANCIAL POSITION

The Group's financial position remained stable as at 31 December 2021 with minimal liabilities.

Its total assets at year-end amounted to \$1.50 billion (2020: \$1.53 billion) and net gearing ratio was effectively Nil as at year-end (2020: Nil).

The Group's net asset per share as at 31 December 2021 was \$1.79 compared with \$1.84 as at 31 December 2020.

### DIVIDENDS

Your Board recommends for your approval, a final one-tier ordinary dividend of 1.0 cent per ordinary share, in respect of the financial year ended 31 December 2021.

### OTHER MATTERS

#### DISPOSAL OF PALM COVE HOTEL

The disposal of the Palm Cove hotel for A\$10.9 million was completed on 11 August 2021.

### PROSPECT AND COVID-19

The worldwide COVID-19 situation that started in December 2019 showed signs of improvement after the vaccinations started to roll-out in late December 2020. Many countries such as the United States, United Kingdom, and Israel have made good progress but many other countries in Africa and Latin America still have low vaccinations rates.

The Governments where our hotels are located did a commendable job of managing the Covid-19 situation rolling out fast vaccinations and booster shots. As a result, Singapore opened its borders gradually from April 2021 with vaccination travel lanes arrangement. Australia rolled out similar programmes for International travelers and also the lifting of cross travelling between States. Unfortunately, New Zealand had only allowed travelling within its geographic borders and closed the Trans-Tasman opening when Delta variant emerged. The opening up, albeit small, gave the much needed fuel to the hotel and tourism industry. Without the opening of borders, the hotel industry in Singapore will not be able to generate much revenue from local based staycations by Singaporeans given that the population is only five million, a third of the fifteen million international travelers that Singapore received at its peak.

Although most countries have resumed full borders opening, 2022 is still expected to be a challenging one. Travelers are still wary of infections and Omicron virus continues to mutate into different variants.

### CONCLUSION

In conclusion, on behalf of the Board of Directors, I would like to thank our valued customers, shareholders and all business associates for their continuing support. I would also like to express my sincere thanks to our management and staff for their dedication and hard work especially in these challenging times.

Tan Eng Teong

# CORPORATE GOVERNANCE REPORT

## For the financial year ended 31 December 2021

The Board of Directors (the “**Board**”) and management (“**Management**”) of Hotel Grand Central Limited (the “**Company**”) and together with its subsidiaries, the “**Group**”) firmly believe that a genuine commitment to good corporate governance is essential to the sustainability of the Company’s business and performance, and supports long-term shareholder value. The Company also believes that the Directors must at all times act objectively in the best interest of the Company.

This corporate governance report (“**Report**”) sets out an overview of the Group’s corporate governance practices and adheres to the principles of the Singapore Code of Corporate Governance 2018 (the “**Code**”) with references to the accompanying practice guidance for the financial year ended 31 December 2021 (“**FY2021**”).

The Board is responsible for the Company’s corporate governance standards and policies, underscoring their importance to the Group and in ensuring that they are practiced throughout the Group as a fundamental part of discharging its responsibilities to protect and enhance shareholder value and the financial performance of the Group. Where there are deviations from any of the guidelines of the Code, an explanation has been provided within this Report. The Board has reviewed its best practices and ensured continued transparency and accountability in line with the principles of the Code.

## BOARD MATTERS

### THE BOARD’S CONDUCT OF AFFAIRS

#### **Principle 1:**

*The Company is headed by an effective Board which is collectively responsible and works with Management for the long-term success of the company.*

#### **Role**

The principal functions of the Board are to:

1. provide entrepreneurial leadership and decide on matters in relation to the Group activities which are of a significant nature, including decisions on strategic directions and guidelines and the approval of periodic plans and major investments and divestments;
2. oversee the business and affairs of the Company, establish, with Management, the strategies and financial objectives to be implemented by Management (including appropriate focus on value creation, innovation and sustainability), monitor the performance of Management and ensure that the Company has the necessary resources to meet its strategic objectives;
3. set the Company’s values, standards (including ethical standards), appropriate tone-from-the-top and desired organisational culture, and put in place policies, structures and mechanism to ensure such values, standards and culture are complied with;
4. constructively challenge Management and hold them accountable for performance and ensure proper accountability within the Group;
5. oversee processes for evaluating the adequacy and effectiveness of internal controls, risk management, financial reporting and compliance, and satisfy itself as to the adequacy and effectiveness of such processes;
6. be responsible for the governance of risk and ensure that Management maintains a sound system of risk management and internal controls, to effectively monitor and manage risks so as to safeguard the interests of the Company and its stakeholders, and achieve an appropriate balance between risks and company performance;
7. assume responsibility for corporate governance and ensure transparency and accountability to key stakeholder groups; and
8. review the succession plans and remuneration policies for the Board and key management personnel.

#### **Independent Judgement**

All Directors are expected to exercise independent judgement in the best interests of the Company. This is one of the performance criteria for the annual assessment of the Directors, as a full board. Based on the result of the annual assessment carried out by the Nominating Committee (“**NC**”) for FY2021, all Directors have discharged this duty well.

#### **Conflicts of Interest**

Every Director is required to promptly disclose any conflict of interest, whether direct or indirect, in relation to a transaction or proposed transaction with the Company as soon as is practicable after the relevant facts have come to his/her knowledge, and recuse himself/herself when the conflict-related matter is discussed unless the Board is

For the financial year ended 31 December 2021

of the opinion that his/her presence and participation is necessary to enhance the efficacy of such discussions, and abstain from voting in relation to conflict-related matters.

### Directors' Induction and Training

All Directors appointed to the Board are provided with a formal letter of appointment which sets out the Director's role and key responsibilities. The NC ensures that new Directors are made aware of their duties and obligations. In particular, new Directors receive comprehensive induction on joining the Board. They are provided with information on the corporate background, key personnel, core businesses, group structure, financial statements of the Group and their scope of duties and responsibilities. They are also briefed on the Group's businesses and operations. Site visits are conducted as necessary to familiarise them with the Group's properties. Guidance is also given to all Directors on regulatory requirements concerning disclosure of interests and restrictions on dealings in securities.

At the Company's cost, training is made available to Directors on the Company's business and governance practices, and updates/developments in the regulatory framework affecting the Company. Directors are provided with opportunities to attend courses and talks on board matters organised by professional and reputable organisations including the Singapore Exchange Securities Trading Limited ("**SGX-ST**") and the Singapore Institute of Directors. This aims to give Directors a better understanding of the corporate governance matters relating to the Group and allows them to integrate into their roles and duties. There was no new director appointed in FY2021.

The briefings, updates and/or trainings attended by the Directors collectively for FY2021 include the following:

- the Company's external auditors updated the Audit Committee ("**AC**") members on developments and/or changes on the accounting standards;
- the Directors are updated on the business activities and strategic directions of the Group;
- the Directors are updated on changes to the listing rules, corporate governance and other regulatory requirements, on a regular basis; and
- relevant training courses organised by the institutes and/or group associations of specific interests.

From time to time, the Company keeps the Directors apprised of any new laws, regulations, any latest changes to the SGX-ST listing requirements or changes to legislation which may impact the Group's business or business outlook, or may change the risks affecting the Group. The external auditors also brief and update AC Members on developments in accounting and governance standards and issues which have a direct impact on financial statements. The Directors are also kept updated on the outlook and trends in the property and hospitality markets during the Board meetings. A new Director appointed who has no prior experience as a Director of an issuer listed on SGX-ST will also be required to undergo mandatory training in his roles and responsibilities as prescribed by the SGX-ST, unless the NC is of the view that training is not required because he has other relevant experience.

During FY2021, the Directors were briefed on any amendments to the SGX-ST Listing Manual and changes to the accounting standards.

### Board Matters

Each Board member has equal responsibility to oversee the business and affairs of the Company. Management on the other hand, is responsible for the day-to-day operation and administration of the Company in accordance with the policies and strategy set by the Board.

The Company has adopted internal guidelines setting forth matters that require Board approval. Material items that require Board approval include strategic directions, annual budget, financial results and dividend declaration, major funding proposals, investments, acquisitions and divestment proposals.

### Board Committees

To assist the Board in the discharge of its oversight function, various board committees, namely the Audit Committee ("**AC**"), Nominating Committee ("**NC**") and Remuneration Committee ("**RC**") (collectively the "**Board Committees**") with clear written terms of references. All the Board Committees are actively engaged and play an important role in ensuring good corporate governance in the Company and within the Group, and the Board is kept updated on discussions of the Board Committees via circulation of minutes and regular updates by the respective chairmen of the respective Board Committee at Board meetings. The terms of reference are reviewed periodically to ensure continued relevance. The composition and terms of reference of the respective Board Committees setting out their responsibilities and authority can be found in the subsequent sections of this Report.

## CORPORATE GOVERNANCE REPORT

For the financial year ended 31 December 2021

### Board and Board Committees Meetings

The Board conducts regularly scheduled meetings on a half-yearly basis to coincide with the announcement of the Group's half-year and full-year financial results and to keep the Board updated on business activities and the overall business environment in which the Group operates. Additional meetings are convened as and when circumstances dictate. The number of Board and Board Committees meetings held in FY2021 and the attendance of each Director are set out below:

		Board	AC	NC	RC
<b>No. of meetings held in FY2021</b>		<b>2</b>	<b>2</b>	<b>1</b>	<b>1</b>
Name of Directors	Designation	No. of Meetings attended in FY2021			
Tan Eng Teong	Executive Chairman/Managing Director	2	N.A.	N. A.	N.A.
Tan Teck Lin	Executive Director	2	N.A.	1	N.A.
Tan Hwa Lian	Executive Director	2	N.A.	N.A.	N.A.
Fang Swee Peng	Independent Non-Executive Director	2	2	1	1
Tan Kok Aun	Lead Independent Non-Executive Director	2	2	1	1
Lim Thian Loong	Independent Non-Executive Director	2	2	N.A.	1
Hui Chiu Fung	Independent Non-Executive Director	2	N.A.	N.A.	N.A.
Tan Eng How	Non-Independent Non-Executive Director	2	N.A.	N.A.	N.A.

If a Director was unable to attend a Board or Board Committee meeting, he/she would still receive all the papers and materials for discussion at that meeting. He/she would review them and advise the Chairman or Board Committee Chairman of his/her views and comments on the matters to be discussed so that they may be conveyed to other members at the meeting.

### Objectives and Benefits

The board assessment exercise provides an opportunity to obtain constructive feedback from each Director on whether the Board's procedures and processes allowed him/her to discharge his/her duties effectively and the changes which should be made to enhance the effectiveness of the Board and/or Board Committees. The assessment exercise also helped the Directors to focus on their key responsibilities. It also assisted the NC in determining whether to re-nominate Directors who are due for retirement at the next annual general meeting, and in determining whether Directors with multiple board representations were nevertheless able to and had adequately discharged their duties as Directors of the Company.

Based on feedback from the Directors, the Board and Board Committees continued to perform and fulfil its duties and responsibilities.

### Access to Information

Prior to each Board meeting and when the need arises, the Board is provided with complete and adequate information in a timely manner, thus allowing them to deliberate on issues which require consideration. Management reports comparing actual performance with budget and previous corresponding periods and highlighting key performance indicators, as well as accounts and reports on the financial performance of the Group, are provided to Directors. Relevant Management staff make the appropriate presentations and answer queries from Directors at the Board meetings. Directors who require additional information may approach Management staff directly and independently and the required information is provided in a timely manner. Directors also have separate and independent access to the Company Secretary, and where necessary, obtain independent professional advice at the Company's expense. Such access to information is intended to enable the Directors to make informed decisions to discharge their duties and responsibilities.

## CORPORATE GOVERNANCE REPORT

For the financial year ended 31 December 2021

### Company Secretary

The Company Secretary administers, attends and prepares minutes of Board proceedings. The Company Secretary assist the Chairman to ensure that Board procedures (including but not limited to assisting the Chairman to ensure timely and good information flow to the Board and Board Committees, and between senior management and the Directors, facilitating orientation and assisting in the professional development of the Directors) are followed and regularly reviewed to ensure effective functioning of the Board, and that the Company's Constitution and relevant rules and regulations, including requirements of the Companies Act, Securities and Futures Act and Listing Manual of the SGX-ST are complied with. The Company Secretary also assist the Chairman and the Board to implement and strengthen corporate governance practices and processes with a view to enhancing long-term shareholder value. The appointment and removal of the Company Secretary rests with the Board as a whole.

### BOARD COMPOSITION AND GUIDANCE

#### **Principle 2:**

*The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the Company.*

The Board currently comprises three (3) Executive Directors, four (4) Independent Non-Executive Directors and one (1) Non-Independent Non-Executive Director. The composition of the Board is summarised in the table below:

Name of Directors	Designation	Date of Appointment	Last Date of Re-election
Tan Eng Teong	Executive Chairman/Managing Director	10 July 1968	30 April 2019
Tan Teck Lin	Executive Director	10 July 1968	25 June 2020
Tan Hwa Lian	Executive Director	26 August 2003	25 June 2020
Fang Swee Peng	Independent Non-Executive Director	28 April 2000	30 April 2021
Tan Kok Aun	Lead Independent Non-Executive Director	10 November 2011	30 April 2021
Lim Thian Loong	Independent Non-Executive Director	26 September 2017	30 April 2021
Hui Chiu Fung	Independent Non-Executive Director	11 March 2019	30 April 2019
Tan Eng How	Non-Independent Non-Executive Director	10 July 1968	30 April 2021

The NC conducted an assessment in February 2022 and is satisfied that the Board and the Board Committees comprise Directors who as a group provide an appropriate balance and mix of skills, knowledge, experience and other aspects of diversity. The NC is also satisfied that the Directors, as a group, possess core competencies required for the Board and the Board Committees to be effective, taking into account the Company's strategy and business.

Out of the eight members, four are Independent Directors and one is a Non-Independent Non-Executive Director. Despite the variation from Provision 2.2 of the Code which Independent Directors do not make up a majority of the Board where the Chairman is not independent, the Company considers the current Board size of eight members is appropriate. As a whole, there are five Non-Executive Directors which make up a majority of the Board, of whom four are Independent Directors which make up half of the Board, which had continued to make up a strong and independent element of the Board whereby the views of the Management and Executive Chairman and his team were constructively challenged, from time to time, at Board meetings.

With a half of the Board comprising Independent Directors and such Independent Directors having the requisite experience, expertise and standing, the Board is able to exercise objective judgement independently from its substantial shareholders and Management, and no individual or small group of individuals dominate the Board's decision-making process. Where necessary, Non-Executive Directors may lead by the Lead Independent Non-Executive Director, Mr Tan Kok Aun, formally or informally meet without the presence of Management, and provide feedback to the Board and/or the Chairman after such meetings, as appropriate.

Taking note of provision 2.2 of the Code, the NC would continue to evaluate the composition of the Board.

## CORPORATE GOVERNANCE REPORT

### For the financial year ended 31 December 2021

The Board, taking into account the views of the NC, considers that the current Board comprises persons with diverse business experiences and as a group, possesses an appropriate balance and diversity necessary to manage and contribute effectively to the Company. In this regard, the Directors are business leaders and professionals with backgrounds and experience in real estate, hospitality, banking, finance (including accounting, tax and audit), economics and business management. Collectively, they have core competencies spanning the relevant areas of the Group's businesses and operations.

The Board, in concurrence with the NC, was of the view that a Board size of eight Directors, and composition of the Board and the Board Committees to be appropriate to facilitate effective decision-making, taking into account the nature and scope of the operations of the Company, the requirements of the Company's business and the need to avoid undue disruptions from changes to the composition of the Board and Board Committees. No individual or small group of individuals dominate the Board's decision-making.

#### Board Independence

The Board considers an Independent Director as one who has no relationship with the Company, its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the Directors' independent business judgment of the Company's affairs with a view to the best interests of the Company.

The NC determines on an annual basis whether or not a Director is independent. The NC carried out the review on the independence of each Director based on the respective Directors' self-declaration on the Directors' independence checklist and their actual performance on the Board and Board Committees, taking into account the guidance in the Code and Rule 210(5)(d) of the Listing Manual of the SGX-ST as to the circumstances in which a Director should not be deemed independent, including whether a Director is independent in conduct, character and judgment and whether there are relationships or circumstances which are likely to affect or could appear to affect the Director's judgment.

For FY2021, on the bases of the declarations of independence provided by the Independent Non-Executive Directors and the guidance in the Code and taken into account the assessment of the NC, the Board has determined that Messrs Fang Swee Peng, Tan Kok Aun, Lim Thian Loong and Hui Chiu Fung continue to be independence. Each member of the NC and Board had recused himself from the NC's and the Board's deliberations respectively on his own independence.

Messrs Fang Swee Peng and Tan Kok Aun, who have been a director for an aggregate period of more than nine years, had been approved at the Extraordinary General Meeting ("EGM") of the Company held on 31 December 2021 pursuant to Rule 210(5)(d)(iii) of the SGX-ST Listing Manual, to continue as independent director of the Company until (i) their retirement or resignation; or (ii) the conclusion of the third AGM of the Company following the EGM held on 31 December 2021, whichever is earlier.

#### Board Diversity

The Company recognises that diversity in relation to composition of the Board provides a range of perspectives and insights needed to support good decision-making for the benefit of the Group, and is committed to ensuring that the Board comprises Directors who, as a group, provide an appropriate balance and mix of skills, knowledge, experience, and other aspects of diversity (such as gender and age) so as to promote the inclusion of different perspectives and ideas, mitigate against groupthink and ensure that the Company has the opportunity to benefit from all available talent. In identifying suitable candidates for new appointments to the Board, the NC would ensure that female candidates were included for consideration. The final decision on the appointment of Directors would be based on and driven by merits against the objective criteria set by the Board from time to time on the recommendation of the NC, after having regards to the benefits of diversity and the needs of the Board.

The Company has in place a Board Diversity Policy that sets out the framework and approach for the Board to set its qualitative and measurable quantitative objectives for achieving diversity, and to annually assess the progress in achieving these objectives.

The annual assessment is led by the NC as part of the process for appointment of new Directors and board succession planning. To help the NC identify gaps (if any) in skills, knowledge, experience and other aspects of diversity in the board composition in any given year of assessment, each member of the Board is required to complete a Board evaluation form. The returns from the board members are then consolidated into a single Board Diversity summary to highlight the Board's current mix of skills, knowledge, experience and other aspects of diversity and NC, review and agree annually the qualitative for achieving diversity on the Board.

## CORPORATE GOVERNANCE REPORT

For the financial year ended 31 December 2021

### CHAIRMAN AND CHIEF EXECUTIVE OFFICER

#### **Principle 3:**

*There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.*

Mr. Tan Eng Teong is the Executive Chairman of the Board and Managing Director of the Company. As Chairman of the Company, Mr. Tan Eng Teong plays a pivotal role in steering the strategic direction and growth of the Group's business, sets the agenda for each Board meeting and ensures information flow between Management and the Board. As the Managing Director, Mr. Tan Eng Teong oversees the day to day running of the business in Singapore, Malaysia, China, Australia and New Zealand. In carrying out his responsibilities as the Managing Director, Mr. Tan Eng Teong works closely with Mr. Tan Teck Lin, the Executive Director, Ms. Tan Hwa Lian, the Executive Director, and Mr. Tan Eng How, the Non-Independent Non-Executive Director of the Company. Mr. Tan Teck Lin is involved in the day to day running of the business in Australia, New Zealand and Malaysia and makes all major operational decisions with the concurrence of Mr. Tan Eng Teong. Mr. Tan Eng Teong is kept informed of all significant operational decisions in Malaysia by Mr. Tan Teck Lin. Ms. Tan Hwa Lian is involved in the operations of the hotel business in Singapore, Australia, New Zealand and China.

Currently, the Company adopts a single leadership structure whereby the roles of the Chairman of the Board and the Managing Director are assumed by the same person such that the decision-making process of the Company would not be unnecessarily hindered.

Although this deviates from the recommendations set out in the Code, the Board believes that vesting the roles of both Chairman and Managing Director on the same person who is knowledgeable in the business of the Group provides the Group with a strong and consistent leadership and allows for more effective planning and execution of long term business strategies. The Board is mindful of the desirability of separating the two functional positions. However, it believes that vulnerability of the dual roles, if any, is considerably lessened by the checks and balances energetically exercised by the Board. The balance of power and authority is also provided by three committees, namely AC, NC and RC which are all chaired by the Independent Directors.

The Chairman, with the assistance of the Company Secretary, schedules meetings and prepares meeting agenda to enable the Board to perform its duties responsibly, having regard to the flow of the Company's operations. He sets guidelines on and monitors the flow of information from Management to the Board to ensure that all material information is provided in a timely manner to the Board to make good decisions. He also encourages constructive relations between the Board and Management, and between the executive and non-executive Directors. At Board meetings, the Chairman encourages a full and frank exchange of views, drawing out contributions from all Directors so that the debate benefits from the full diversity of views, in a robust yet collegiate setting. At annual general meetings and other shareholders' meetings, the Chairman ensures constructive dialogue between shareholders, the Board and Management. The Chairman sets the right ethical and behavioural tone and takes a leading role in the Company's drive to achieve and maintain a high standard of corporate governance with the full support of the Directors, Company Secretary and Management.

The Chairman and Managing Director, assisted by the Management team, makes strategic proposals to the Board and after robust and constructive board discussion, executes the agreed strategy, manages and develops the Group's businesses and implements the Board's decisions.

#### **Lead Independent Director**

As the Chairman is not an independent Director, the Company has appointed Mr. Tan Kok Aun as the Lead Independent Non-Executive Director to serve in a lead capacity to coordinate the activities of the non-executive Directors in circumstances where it would be inappropriate for the Executive Chairman to serve in such capacity. He also assists the Executive Chairman and the Board to assure effective corporate governance in managing the affairs of the Board and the Company.

The role of the Lead Independent Director includes meeting with the Non-Executive Directors without the presence of the Executive Chairman/Managing Director and Executive Directors at least once annually and on such other occasions as are deemed appropriate. He will also be available to shareholders if they have concerns relating to matters that contact through the Chairman has failed to resolve, or where such contact is inappropriate.

### BOARD MEMBERSHIP

#### **Principal 4:**

*The Board has a formal and transparent process for the appointment and re-appointment of Directors, taking into account the need for progressive renewal of the Board.*

#### **Nominating Committee**

The NC comprises three Directors, the majority of whom, including the NC Chairman are Independent Directors. The Lead Independent Director is a member of the NC.

The NC Members are:

- Mr. Fang Swee Peng (Chairman), Independent Non-Executive Director
- Mr. Tan Kok Aun (Member), Lead Independent Non-Executive Director
- Mr. Tan Teck Lin (Member), Executive Director

Based on its written terms of reference which set out clearly its authority and duties, the NC will make its recommendations to the Board on all board appointments and re-appointments, the process and criteria for evaluating the performance of the Board, the Board Committees and the Directors, review the adequacy of the training and professional development programmes for the Board and the Directors, and review the succession plans for Directors, in particular for the Chairman, the Managing Director and the other key management personnel.

#### **Process for appointment of new Directors**

- a. The NC reviews annually the balance and mix of skills, knowledge, experience, and other aspects of diversity such as gender and age, and the size of the Board which would facilitate decision-making. In this review, the NC would also take into account the needs of the Group, the collective skills and competencies of the Board and service tenure spread of the Directors.
- b. In the light of such review and in consultation with Management, the NC assesses if there is any inadequate representation in respect of any of those attributes and if so, determines the role and the desirable competencies for a particular appointment.
- c. The NC will in all cases, take into consideration the following objective criteria identified as necessary for the Board and Board Committees to be effective:
  - i. Integrity
  - ii. Independent mindedness
  - iii. Ability to commit time and effort to carry out duties and responsibilities effectively
  - iv. Track record of making good decisions
  - v. Experience in high-performing companies
  - vi. Financial literacy
- d. External help (for example, Singapore Institute of Directors and search consultants) may be used to source for potential candidates if need be. Directors and Management may also make recommendations.
- e. The NC meets with the short-listed candidate(s) to assess suitability and to ensure that the candidate(s) is/are aware of the expectations and the level of commitment required
- f. The NC makes recommendations to the Board for approval.

#### **Alternate Directors**

The Company does not have any alternate Directors appointed to the Board.

#### **Board Succession Planning**

The Board believes that orderly succession and renewal are achieved as a result of careful planning, where the appropriate composition of the Board is continually under review. In this process for the renewal of the Board and the selection of new Directors so that the experience of longer serving Directors can be drawn upon while tapping into the new external perspectives and insights which more recent appointees bring to the Board's deliberation.

## CORPORATE GOVERNANCE REPORT

For the financial year ended 31 December 2021

The NC leads the process and makes recommendations to the Board on the appointment of new directors and re-nomination of Directors.

### Process for re-nomination of retiring Directors

The Constitution requires one-third of the Directors, or the number nearest to (but not greater than) one-third, to retire from office by rotation at every Annual General Meeting (“AGM”). The Directors to retire in the relevant year by rotation shall be those who have been longest in office since their last re-election or appointment or have been in office for three years since their last election. As between persons who became or were last re-elected Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by lot. This effectively results in all Directors having to retire at least once every three years, or earlier. A retiring Director shall be eligible for re-election. A Director appointed by the Board to fill a casual vacancy or as an additional Director may only hold office until the next AGM and will be eligible for re-election at such AGM.

- a. The NC reviews each Director’s eligibility, contribution and performance (such as attendance, preparedness, participation and candour), with reference to the results of the assessment of the performance of Board as a whole.
- b. NC makes recommendations to the Board for approval.

The NC, with each member abstaining in respect of his own re-election and in accordance with the Constitution, has recommended that Messrs Tan Eng Teong and Hui Chiu Fung, who retire by rotation pursuant to the Constitution, be nominated for re-election.

The detailed information as required under Rule 720(6) of the SGX-ST Listing Manual on Directors seeking re-election are disclosed in the “Supplemental Information” section of the Annual Report.

### Annual Review of Directors’ Commitments

The NC assesses annually whether a Director with other listed company board representations and/or other principal commitments is able to and has been adequately carrying out his/her duties as a Director of the Company. Instead of fixing a maximum number of listed company board representations and/or other principal commitments that a Director may have, the NC assesses holistically whether a Director is able to and has been adequately carrying out his/her duties as a Director of the Company, taking into account the results of the assessment of the effectiveness of the individual Director, the level of commitment required of the Director’s listed company board representations and/or other principal commitments, and the Director’s actual conduct and participation on the Board and Board Committees, including availability and attendance at regular scheduled meetings and adhoc meetings. The NC is of the view that such an assessment is sufficiently robust to detect and address, on a timely basis, any time commitment issues that may hinder the effectiveness of the Directors.

The NC conducted an assessment in February 2022 and is of the view that each Director has given sufficient time and attention to the affairs of the Company and has been able to discharge his/her duties as Director effectively. The NC noted that based on the attendance of Board and Board Committee meetings during the year, the Directors were able to participate in at least a substantial number of such meetings to carry out their duties. The NC also noted that, based on the report on the Directors’ assessment for FY2021, all the Directors performed well. The NC was therefore satisfied that in FY2021, where a Director had other listed company board representations and/or other principal commitments, the Director was able and had been adequately carrying out his/her duties as Director of the Company.

### Key Information on Directors

Key information on each Director, including his academic qualifications and principal commitments, are set out in the Directors’ and Senior Management Profile section of the Annual Report. In addition, information on shareholdings in the Company held by each Director is set out in the “Directors’ Statement” section of the Annual Report.

Information relating to Directors who are nominated for re-appointment or re-election, including any relationships between such Directors, and the other Directors, the Company, its related corporations, substantial Shareholders or officers respectively, are set out as notes accompanying the relevant resolutions.

### BOARD PERFORMANCE

**Principle 5:**

*The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual Directors.*

The Board has implemented formal processes for assessing the effectiveness of the Board as a whole to the effectiveness of the Board.

Through the NC, the Board has implemented an annual evaluation process to assess the effectiveness of the Board as a whole. The evaluation process is undertaken as an internal exercise and involves Board members completing a questionnaire covering areas relating to:

- Board composition
- Information to the Board
- Board procedures
- Board accountability
- Communication and evaluation with the CEO and Top Management
- Standards of conduct by the Board

The evaluation process takes into account the views of each Board member and provides an opportunity for Directors to provide constructive feedback on the workings of the Board including its procedures and processes and whether these may be improved upon.

A collective evaluation exercise was carried out by the NC and the Board in the financial year under review. Led by the NC Chairman, this collective assessment was conducted by means of a confidential questionnaire completed by each Director which is collated, analysed and discussed with the NC and the Board against comparatives from the previous year. Recommendations to further enhance the effectiveness of the Board are implemented, as appropriate. The Chairman shall act on the results of the performance evaluation and in consultation with the NC, propose, where appropriate, new members to be appointed to the Board or seek the resignation of Directors.

The evaluation determined that all Directors had contributed effectively and had demonstrated full commitment to their roles.

Given the current size of the Board, the NC was of the view that the performance evaluation of the Board as a whole would suffice and that performance evaluation of the AC, NC and RC and individual performance evaluation of each Director is not necessary at this juncture. The NC would consider carrying out the aforesaid performance evaluation in the future, should the need arise.

For FY2021, the Board has not engaged any external consultant to conduct an assessment of the effectiveness of the Board and the contribution by each individual Director to the effectiveness of the Board. Where relevant, the NC will consider such an engagement.

### REMUNERATION MATTERS

#### **PROCEDURES FOR DEVELOPING REMUNERATION POLICIES**

**Principle 6:**

*The Board has a formal and transparent procedure for developing policies on Director and executive remuneration, and for fixing the remuneration packages of individual Directors and key management personnel. No Director is involved in deciding his or her own remuneration.*

## CORPORATE GOVERNANCE REPORT

For the financial year ended 31 December 2021

### RC Composition and Role

The RC comprises three Directors, all of whom (including the RC Chairman) are independent.

The RC Members are:

- Lim Thian Loong (Chairman), Independent Non-Executive Director
- Fang Swee Peng (Member), Independent Non-Executive Director
- Tan Kok Aun (Member), Lead Independent Non-Executive Director
- Hui Chiu Fung (Member), Independent Non-Executive Director

The RC's written terms of reference set out the role and responsibilities of the RC, which include reviewing and making recommendations to the Board on:

- a framework of remuneration for the Board and the key management personnel. The framework takes into account the specific role and circumstances of each Director and key management personnel to ensure an appropriate remuneration level and mix that recognises the performance, potential and responsibilities of these individuals; and
- the remuneration package for each Director and key management personnel which covers all aspects of remuneration, including Directors' fees, salaries, allowances, bonuses, benefits-in-kind and termination payments.

The RC considers all aspects of remuneration, including termination terms, and aims to be fair and avoids rewarding poor performance.

None of the RC Members is involved in the deliberation on any remuneration, compensation or form of benefit to be granted to himself.

### RC's Access to External Expert Advice

The RC Members are familiar with executive remuneration/compensation matters as they manage their own businesses and/or are serving on the boards of other listed companies. The RC has access to appropriate expert advice where necessary and did not consider it necessary to engage a remuneration consultant for FY2021.

## LEVEL AND MIX OF REMUNERATION

### **Principle 7:**

*The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the Company, taking into account the strategic objectives of the Company.*

### Remuneration Framework

The remuneration policy of the Company seeks to align the interests of the Directors and the key management personnel with those of the Company, as well as to ensure that remuneration is commercially attractive to attract, retain and motivate Directors to provide good stewardship of the Company and key management personnel to successfully manage the Company and enhance value creation for the long term. In determining remuneration packages, the RC takes into consideration industry practices, norms in compensation and the strategic objectives of the Company, as well as the need for remuneration to be linked with the long-term interest, risk policies, sustained performance and value creation of the Company.

### Remuneration of Executive Directors

There are appropriate measures in place to assess the performance of the Executive Director and the other key management personnel. The performance-linked elements of their remuneration packages are designed to align their interests with shareholders, other stakeholders and the long-term success of the Company and take into account the risk policies of the Company.

## CORPORATE GOVERNANCE REPORT

For the financial year ended 31 December 2021

### Remuneration of Non-Executive Directors

For Non-Executive Directors, their remuneration is appropriate to their level of contribution, taking into account factors such as effort and time spent as well as their respective responsibilities. The Board recommends the fees to be paid to Non-Executive Directors for Shareholders' approval annually. The fees consist of a basic fee for service on the Board and additional fees for service as member or chairman of Board Committees. The fees are pro-rated based on a Director's length of service in the year under review. Non-Executive Directors do not receive any variable remuneration such as options or bonuses.

The RC reviews and makes recommendations to the Board in relation to Non-Executive Directors' fees and allowances. RC Members abstain from deliberations in respect of their remuneration.

### DISCLOSURE ON REMUNERATION

#### **Principle 8:**

*The Company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.*

The remuneration policy of the Company seeks to align the interests of the employees with the Company's short-term and long-term business objectives, as well as to ensure that the Company remains attractive as a prospective employer, and a fair employer to retain and motivate the existing staff. The entire remuneration package of all employees comprises of salaries, short-term and long-term incentives, as well as benefits-in-kind. Short-term incentives include bonuses for staff to drive business performance, and long-term incentives to reward value creation. As part of the Company's performance management system, the Company sets and reviews the key performance indicators ("KPIs") of each employee on an annual basis and the rewards package of each employee is dependent on achieving these annual targets.

The KPIs of each employee take into consideration the Company's, respective departments' and each individual's performance in accordance with his/her designation and responsibilities within the Group. The KPIs are communicated to each employee at the beginning of each year so as to align the employee's performance to the performance of the Company. The entire remuneration package and policy is reviewed periodically to ensure market competitiveness.

The Group has five key management personnel. The remuneration of each individual Director and the key management personnel of the Group is disclosed below. The report covers the total remuneration as well as the breakdown of remuneration in FY2021.

### Remuneration of Directors

The level of each Director's remuneration for FY2021 are shown below:

	Fee S\$'000	Salary S\$'000	Bonus S\$'000	Benefit S\$'000	Total S\$'000
Mr. Tan Eng Teong	56.0	240.0	140.0	–	436.0
Ms. Tan Hwa Lian	49.4	158.9	13.2	–	221.5
Mr. Tan Teck Lin	53.8	–	–	–	53.8
Mr. Tan Eng How	49.4	–	–	–	49.4
Mr. Fang Swee Peng	48.7	–	–	–	48.7
Mr. Tan Kok Aun	43.2	–	–	–	43.2
Mr. Lim Thian Loong	25.0	–	–	–	25.0
Mr. Hui Chiu Fung	25.0	–	–	–	25.0

## CORPORATE GOVERNANCE REPORT

For the financial year ended 31 December 2021

### Remuneration of Top Five Key Management Personnel

For FY2021, the Company has only three (3) key management personnel who are not directors or the CEO of the Company, who are Ms. Tan Hwa Lam, Hellen (Financial Controller), Mr Poh Teik Heng, Anthony (Group Accountant (Finance & Investments)) and Mr Frank Delli Cicchi (Group General Manager). Each of these key executive's remuneration falls below the S\$250,000 band. The aggregate total remuneration paid to the top three (3) KMP (who are not Directors or the CEO of the Company) was approximately S\$490,000.

### Remuneration of Employees who are Substantial Shareholder, or immediate family members of the Directors, the Managing Director or Substantial Shareholder of the Company

For FY2021, the following are the two immediate family members of the Directors and Chairman of the Company whose remuneration exceeds S\$100,000 for FY2021:

Remuneration bands	Name of employees	Employee's relationship
\$100,000 - \$150,000	Tan Hwa Lam, Hellen	Daughter of Tan Eng Teong and sister of Tan Hwa Lian
	Tan Hwa Kok	Son of Tan Eng Teong and brother of Tan Hwa Lian

The Company does not have any share option scheme.

For FY2021, there were no termination, retirement and post-employment benefits granted to Directors and the top five key executives other than the contractual notice period termination payment in lieu of services in respect of the executive.

## ACCOUNTABILITY AND AUDIT

### RISK MANAGEMENT AND INTERNAL CONTROLS

#### Principle 9:

*The Board is responsible for the governance of risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the Company and its Shareholders.*

#### Risk Governance

The Board has overall responsibility for the governance of risk. To pursue a sustainable long-term growth path, the Board recognises the importance of, and is responsible for, ensuring that Management designs, implements and monitors a sound system of risk management and internal controls as part of good governance. The AC assists the Board in carrying out the Board's responsibilities of overseeing the Group's risk profile, and the adequacy and effectiveness of the risk management framework and policies, as well as the internal control system. The AC reviews and the Board endorses the Group's risk appetite and risk policies, which determine the nature and extent of significant risks that the Group is willing to take to achieve its strategic and business objectives. The Board also reviews annually the adequacy and effectiveness of the Group's risk management and internal control systems.

At the Management level, the Internal Auditor reports to the AC on a half-yearly basis or more frequently as needed. The Internal Auditors highlights significant risk issues, both existing and emerging, for discussion with the AC and the Board, taking into account the immediate operating environment and the next half year prospects.

#### Enterprise Risk Management Framework

The Group has established an Enterprise Risk Management ("ERM") framework and is continuously reinforcing it across all levels of the Group's businesses and operations. The ERM framework aims to increase the confidence in the Group's strategies, businesses and operations, through assurance that key risks are properly and systematically addressed. The ERM framework enables Management to have a formal structure to:

1. define the risk appetite of the Group;
2. identify and assess the key risks which the Group faces and the current controls and strategies for the Group to respond to these risks;
3. evaluate the effectiveness of the current controls and strategies and determine if further risk treatment plans are needed;

## CORPORATE GOVERNANCE REPORT

### For the financial year ended 31 December 2021

4. set up key risk indicators to monitor risks that may have a material impact on the Group's businesses and operations as and when they arise and take mitigating steps as necessary; and
5. report and review the Group's overall risk profile.

The system of risk management and internal controls, including information technology risk controls are reviewed and, where appropriate, refined regularly by Management, the AC and the Board. Where relevant, reference is made to the best practices and guidance in the Risk Governance Guidance for Listed Boards issued by the Corporate Governance Council.

Management sets the appropriate tone at the top and is continuously reinforcing the "risk-aware" culture within the Group. With the belief that risk management is every employee's responsibility, Management works towards embedding risk management principles in the day-to-day decision-making and business processes. To promote risk awareness and enhance risk management knowledge, senior management staff in both the property and hospitality businesses actively participate in regular ERM discussions, training and workshops to acquire and maintain an adequate understanding of ERM concepts, methodologies and tools to enable them to manage risks in their respective areas of work.

To demonstrate ownership and accountability, senior management staff who are key risk and control owners review and provide assurances by way of sign-offs to the Financial Controller, Group Accountant and the other key management personnel in respect of the risks and controls under their charge or purview. In turn, based on these assurances, the Chairman and Managing Director and other key management personnel provide an annual written statement to the Board.

For FY2021, the Board has received assurances from:

- (a) the Chairman and Managing Director, and Financial Controllers that the financial records have been properly maintained and the financial statements give a true and fair view of the Group's operations and finances; and
- (b) the Group Accountant and the other key management personnel who are responsible, that the Group's risk management and internal control systems were adequate and effective to address the risks (including financial, operational, compliance and information technology risks) which the Group considers material to its current business environment.

Based on the internal controls currently in place, the work undertaken by the internal and external auditors, the assurances from the Chairman and Managing Director, the Financial Controller, the Group Accountant, and the other key management personnel as well as reviews by the AC and the Board, the Board, with the concurrence of the AC, has commented that the Group's risk management and internal control (including financial, operational, compliance and information technology controls) systems are adequate and effective for FY2021. In commenting on the risk management and internal control systems, the Board has noted the ERM framework and processes as set out in the preceding paragraphs under "Enterprise Risk Management Framework".

The Group's risk management and internal control systems provide reasonable but not absolute assurance that the Group will not be adversely affected by the occurrence of material errors, poor judgement in decision-making, human error, losses, fraud or other irregularities or other events arising from the business environment which the Group operates in.

## AUDIT COMMITTEE

### **Principle 10:**

*The Board has an Audit Committee which discharges its duties objectively.*

### **AC Composition and Role**

The AC comprises three members who have recent and relevant accounting and financial management expertise and experience. All the AC Members are (including the AC Chairman) are independent. None of the AC Members were former partners or directors of, or had any financial interest in, the Company's external auditor, Ernst & Young LLP ("EY"), within the past 24 months. Accordingly, the Board is of the view that the AC members are appropriately qualified to discharge their responsibilities.

## CORPORATE GOVERNANCE REPORT

For the financial year ended 31 December 2021

The AC Members are:

- Tan Kok Aun (Chairman), Lead Independent Non-Executive Director
- Fang Swee Peng (Member), Independent Non-Executive Director
- Lim Thian Loong (Member), Independent Non-Executive Director

The Board recognises the importance of good corporate governance and the offering of a high standard of accountability to the shareholders. The AC is authorised by the Board to investigate all matters within its term of reference. The AC has full access to, and the co-operation of Management, as well as full discretion to invite any Director and key management personnel to attend its meetings, and is provided with reasonable resources for it to discharge its functions properly.

The AC carries out the functions set out in the Code and the Companies Act. The AC's written terms of reference include:

- reviewing and reporting to the Board on the significant financial reporting issues and judgements so as to ensure the integrity of the financial statements and any announcements relating to the Company's financial performance;
- reviewing and reporting to the Board on the adequacy, effectiveness, independence, scope and results of the external audit and internal audit function at least annually, including reviewing the internal and external audit plans and audit reports, the external auditors' evaluation of the system of internal accounting controls, the scope and results of the internal audit procedures, the cost-effectiveness, independence and objectivity of the external auditors;
- considering and recommending to the Board the appointment/re-appointment of the external auditors, the audit fee and matters relating to the resignation or dismissal of the auditors;
- reviewing and reporting to the Board on interested person transactions in compliance with the SGX-ST Listing Manual;
- reviewing and reporting to the Board the adequacy and effectiveness of the Company's internal controls and risk management systems at least annually;
- reviewing the assurances from the Chairman and Managing Director and the Financial Controller on the financial records and financial statements; and
- reviewing the procedures for detecting fraud and for concerns about possible improprieties in financial reporting or other matters to be safely raised, and ensuring that these arrangements allow proportionate and independent investigation of such matters and are appropriately followed up on.

In performing the functions, the AC has reviewed the Group's audited consolidated financial statements and discussed with Management and the external auditor the significant matters which involved judgement by the Management. The AC reviewed, amongst other matters, the key audit matters as reported by the external auditors for FY2021, including (i) carrying value of hotel assets; and (ii) valuation of investment properties.

### Significant matters

#### How the AC reviewed these matters

#### Carrying value of hotel assets and valuation of investment properties

The AC reviewed the outcomes of the valuation process with Management, focusing on the methodologies and key underlying assumptions applied to the valuation models in assessing the fair values of the hotel assets and investment properties of the Group. The AC had reviewed the KAMs and concurred with the external auditors and Management on their assessment, judgements and estimates on the significant matters reported by the external auditors as set out under the Independent Auditor's Report on pages 30 to 33 of this Annual Report.

The AC also considered the findings of the independent external valuers and external auditors and was satisfied that the valuation approaches were appropriate.

During FY2021, the AC reviewed the half-year and full-year financial statements prior to submission to the Board for approval; the annual audit plan of the external auditor and the internal auditors and the results of the audit performed by them; interested person transactions; effectiveness and adequacy of the Company's risk management and internal controls systems; audit and non-audit services rendered by the external auditors and the re-appointment of external auditors and their remuneration.

## CORPORATE GOVERNANCE REPORT

### For the financial year ended 31 December 2021

The AC members had been briefed by the external auditors, EY on any changes to accounting standards and issues which have a direct impact on financial statements as part of their audit. A record of the AC members' attendance at the AC meetings during FY2021 is set out on page 9 of this Annual Report.

In accordance with Rule 1207(6) of the SGX-ST Listing Manual, details of the aggregate amount of fees paid to EY and the breakdown of fees payable in respect of audit and non-audit services can be found under Note 21(b) of the Notes to the Financial Statements. Further to the above, the Company has also complied with Rules 712 and 715 of the SGX-ST Listing Manual.

The AC has reviewed and is satisfied with the independence and objectivity of the external auditor and has approved the remuneration and terms of engagement of EY. In its review, the AC has considered the non-audit services provided by the external auditor and is of the opinion that these services do not affect the auditor's independence. The AC has reviewed the Audit Quality Indicators and the performance of EY and has recommended to the Board the nomination EY for re-appointment by the Shareholders at the forthcoming AGM for FY2021.

#### Whistle-Blowing Policy

The Company is committed to a high standard of ethical conduct and adopts a zero tolerance approach to fraud. The Company undertakes to investigate complaints of suspected fraud in an objective manner, and has put in place a whistle-blowing policy which provides employees and any other person with well-defined and accessible channels, including direct access to the Chairman of the AC, to raise concerns about possible irregularities in matters of financial reporting or other matters in confidence relating to any misconduct or wrongdoing relating to the issuer and its officers (the "**Whistle-Blowing Policy**").

The Whistle-Blowing Policy which aims to encourage and provide a channel to employees and any other persons to report, in good faith and in confidence, concerns about possible fraud, improprieties in financial reporting or other matters. The objective of such an arrangement is to ensure independent investigation of such matters and for appropriate follow-up action. Employees and any other persons may report their concerns to the Chairman of the AC by post or through the online feedback form, details of which are disclosed in the handbook. Provided that an employee makes a disclosure in good faith and it does not matter if staff are mistaken, the Company will protect the personal interests of the employee, and will not tolerate any harassment or victimisation of anyone raising a concern. The identity of the person raising the matter will be kept confidential, if so requested.

The Chairman of the AC is responsible for investigating any concerns raised and he reports his findings to the AC independent of Management. The AC is able to act independently to take such action as may be necessary to address the concerns raised and has the authority to instruct any senior management staff to assist or co-operate in such action, and to set up a special internal independent investigation or reference to external authority for further investigation. The AC reports significant matters raised to the Board.

#### Internal Audit

The Group Internal Auditor reports directly to the AC and administratively to the Executive Management. The AC approves the appointment, remuneration and resignation of the Group Internal Auditor. Group Internal Audit aims to meet or exceed the Standards for the Professional Practice of Internal Auditing set by the Institute of Internal Auditors. As part of its audit activities, Group Internal Auditor monitors all interested party transactions and provides assurance that the necessary controls are in place and are complied with. Group Internal Auditor conducted its audit reviews based on the approved internal audit plans and its audit reports containing findings and recommendations are provided to Management for their responses and follow-up action.

The Internal Audit function is adequately resourced and independent of the activities it audits, comprises persons with relevant qualifications and experience and has appropriate standing within the Group. It has unfettered access to all documents, records, properties and personnel (including the AC) and has appropriate standing within the Group.

The AC has reviewed and commented that the Group's Internal Audit function is independent, effective and adequately resourced.

The AC met with the internal auditors and external auditors without the presence of Management in respect of FY2021 audit to review matters that might be raised privately and also review the independence of the external auditor annually.

## SHAREHOLDER RIGHTS AND ENGAGEMENT

### SHAREHOLDER RIGHTS AND CONDUCT OF GENERAL MEETINGS

**Principle 11:**

*The Company treats all Shareholders fairly and equitably in order to enable them to exercise Shareholders' rights and have the opportunity to communicate their views on matters affecting the Company. The Company gives Shareholders a balanced and understandable assessment of its performance, position and prospects.*

#### Shareholder Rights and Participation at General Meetings

The Company encourages Shareholder participation at its general meetings and allows Shareholders the opportunity to communicate their views on various matters affecting the Company. The notices of general meetings setting out the agenda are dispatched to the Shareholders with the annual reports, explanatory notes and if necessary, letters to shareholders on the items of special businesses, at least 14 days before general meetings are called to pass ordinary resolutions, or 21 days before general meetings are called to pass special resolutions, in compliance with the Companies Act and the SGX-ST Listing Manual.

Shareholders have the opportunity to participate effectively in and vote at the general meetings and may, under the Constitution, appoint up to two proxies to attend, speak and vote on their behalf. Shareholders, who hold shares in the Company through corporations which provide nominee/custodial services and who provide satisfactory evidence of their share ownership, are allowed to attend, speak and vote at the general meetings. The Company allows such corporations to appoint more than two proxies following revisions to the Companies Act.

Subject to the relevant Acts, and SGX-ST Listing Manual, the Directors may, at their sole discretion approve and implement such voting methods to allow members who are unable to vote in person at any general meeting the option to vote in absentia, including but not limited to voting by mail, electronic mail or facsimile pursuant to its Constitution.

The Company's forthcoming AGM will be held on 29 April 2022, notice of which is set out on pages 112 and 116 of this Annual Report.

In view of the COVID-19 situation, the Company's forthcoming AGM to be held in April 2022 will be conducted via electronic means pursuant to the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020 (the "**Alternate Meeting Arrangement Order**"). Alternative arrangements relating to the mode of publication of notice of AGM, annual report and proxy form, attendance at the AGM via electronic means, submission of questions to the Chairman of the Meeting in advance of the AGM, addressing of substantial and relevant questions at the AGM and voting by appointing the Chairman of the Meeting as proxy at the AGM, will be put in place for the forthcoming AGM.

All Directors and the key management personnel shall attend the general meetings, unless in cases of exigencies, and shareholders are given opportunities to ask the Board and Management questions regarding the operations of the Group and in relation to the meeting agenda prior to the respective meetings, and the Company is to answer any relevant questions prior or during the general meetings pursuant to the Alternate Meeting Arrangement Order and the relevant guideline issued by the SGX. All Directors attending the general meetings are to answer any questions relating to the work of their respective Committees. The external auditors are also present to address shareholders' queries about the conduct of audit and the preparation and content of the auditors' report. All directors attended the last AGM of the Company held for FY2020.

#### Separate Resolutions at General Meetings

At the AGM or other general meetings, separate resolutions will be set out as distinct issues for approval by shareholders. All resolutions tabled at general meetings are put to vote by poll, and their detailed results will be announced via SGXNet after the conclusion of the general. In the event that there are resolutions which are interdependent and linked, the Board will explain the reasons and material implications in the notice of meeting.

## CORPORATE GOVERNANCE REPORT

For the financial year ended 31 December 2021

### Minutes and Results of General Meetings

The Company prepares minutes of general meetings which includes key comments and queries from shareholders relating to the agenda of the meetings, and responses from the Board and Management. Pursuant to the Alternate Meeting Arrangement Order, the Company's minutes of general meetings will be published in the SGXNet and Company's website within one (1) month of the AGM. Results of the general meetings are also released as an announcement via SGXNet.

### Dividend Policy

The Company does not have a fixed dividend policy. The Board will consider various factors, such as the Company's and/or Group's earnings, general financial position, capital expenditure requirements, cash flow, general business environment, development plans and other factors that may be deemed appropriate, to determine whether dividends would be paid for the financial year.

For FY2021, the Board has recommended a first and final dividend of 1 cent per share. The dividend payment is subject to shareholders' approval at the upcoming AGM to be held on 29 April 2022.

## ENGAGEMENT WITH SHAREHOLDERS & MANAGING STAKEHOLDERS RELATIONSHIPS

### **Principle 12:**

*The Company communicates regularly with its Shareholders and facilitates the participation of Shareholders during general meetings and other dialogues to allow Shareholders to communicate their views on various matters affecting the Company.*

### **Principle 13:**

*The Board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the Company are served.*

The Group engages in regular, effective and fair communication with its shareholders through the release of the Group's periodic and annual results, the timely release of material information through SGXNet and the publication of the Annual Report. Announcements of the Group's results are released, and Annual Reports and Sustainability Reports are issued within the periods prescribed under the SGX-ST Listing Manual. The Company also makes timely disclosures to shareholders via SGXNet in accordance with the SGX-ST listing requirements on any changes in the Company or its business which would likely materially affect the price or value of the Company's shares. Where appropriate, the Company also discloses such information on the "Investors and Media" section of its website. In line with maintaining communication with shareholders, as and when briefings on the Company's performance and financial results are conducted for analysts and the media, the Company will disclose the presentation materials on SGXNet.

The Group's website (<http://www.ghihotels.com>) has a dedicated "Investors Relations" section that contains key information for shareholders, investors, and other stakeholders, including announcements, stock information and financial summary, financial results, annual reports, letters to shareholders, information on AGMs, shareholding statistics, upcoming events and analyst coverage. The website is updated regularly and allows users to subscribe for email notifications of the Company's latest updates on the website.

### Investor relations policy

The Company currently does not have an investor relations policy but considers advice from its professionals on appropriate disclosure requirements before announcing material information to shareholders. Should the need arise, the Company will consider the appointment of a professional investor relations officer to manage the function.

### ADDITIONAL INFORMATION

#### *DEALINGS IN SECURITIES*

The Company has devised and adopted a Securities Transactions Code for securities dealing for the Group's officers and employees which applies the best practice recommendations in the SGX-ST Listing Manual. To this end, the Company has issued guidelines to its Directors and employees in the Group which set out prohibitions against dealings in the Company's securities (i) while in possession of material unpublished price-sensitive information, (ii) during the two weeks immediately preceding, and up to the time of the announcement of the Company's financial statements for each of the first three quarters of the financial year and, (iii) during the one month immediately preceding, and up to the time of the announcement of the Company's financial statements for the half or full financial year, whichever applicable. Prior to the commencement of each relevant period, an email would be sent out to all Directors and employees of the Group to inform them of the duration of the period.

Directors and officers are also reminded that they should not deal in the Company's securities on short-term considerations. The Company emphasises that the law on insider trading is always applicable notwithstanding the window periods for dealing in the shares. The Securities Transactions Code also enables the Company to monitor such share transactions by requiring employees to report to the Company whenever they deal in the Company's shares. The Directors are required to notify the Company of any dealings in the Company's securities within two business days of the transactions.

The Board is satisfied with the Group's commitment in compliance with the Code.

#### INTERESTED PERSON TRANSACTIONS

The Company has established procedures to ensure that all interested person transactions ("IPTs") are submitted in a timely manner to the ARC for review on the rationale and the terms of the Group's IPTs to ensure that they are conducted at arm's length basis and will not be prejudicial to the interest of the Company and its minority shareholders.

There were no transactions with interested person falling within the definition of Chapter 9 of the SGX-ST Listing Manual.

The Group does not have a general mandate from shareholders for IPTs pursuant to Rule 920 of the SGX-ST Listing Manual.

#### MATERIAL CONTRACTS

No material contracts, not being contracts entered into in the ordinary course of business, had been entered into by the Company and its subsidiaries involving the interest of any Executive Director, Non-Executive Director or controlling shareholder of the Company during FY2021.

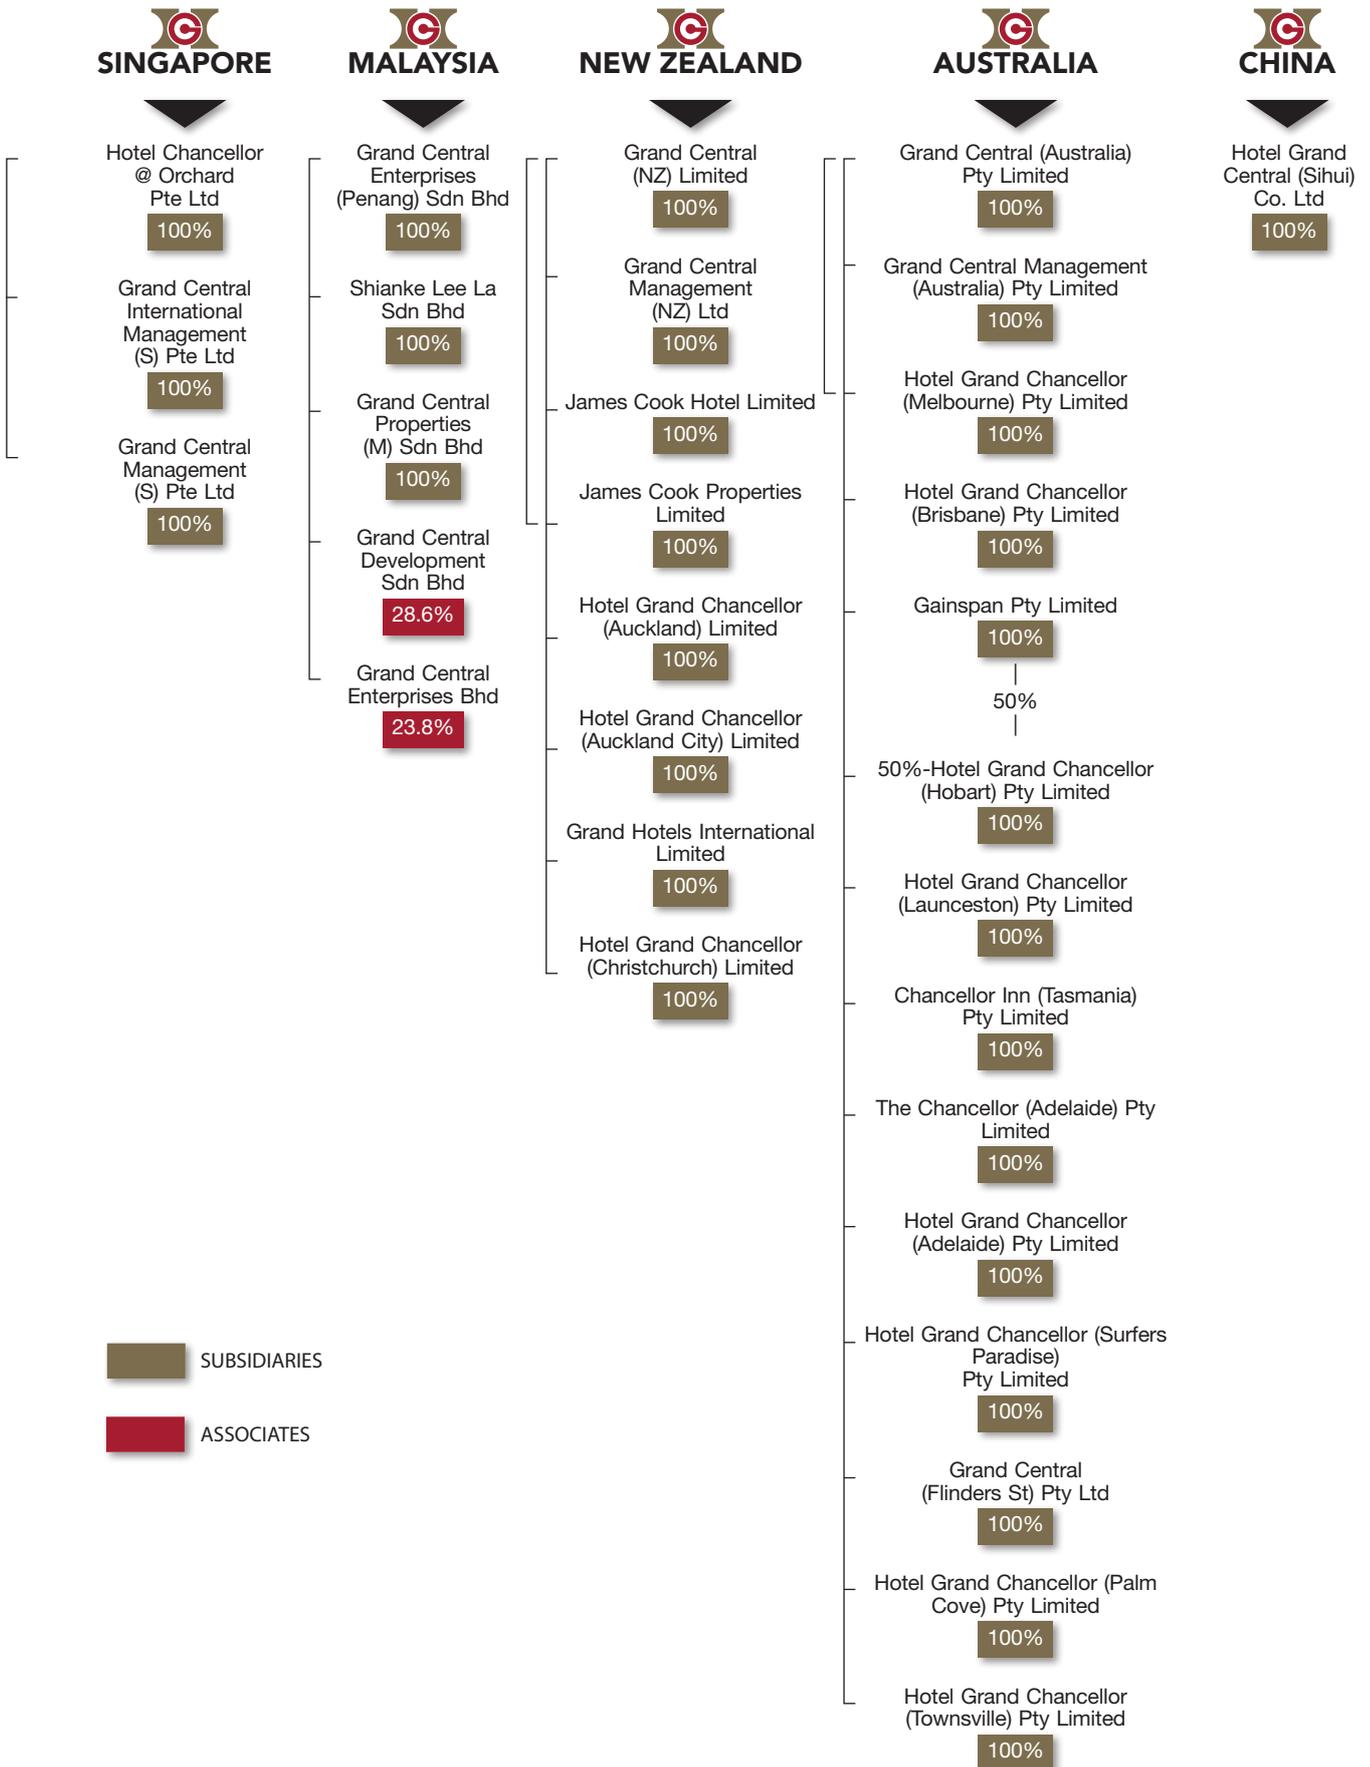

#### SUSTAINABILITY REPORT SUMMARY

The Group believes that the management of environmental, social and governance (ESG) factors is crucial in ensuring the sustainability and growth of the business in the long run.

The Group intends to publish its standalone FY2021 Sustainability Report on or before 30 May 2022. The Sustainability Report comprises information relating to the Group's sustainability approach and governance, material ESG factors that are relevant to our business and stakeholders, the policies and processes in place to monitor these factors as well as the performance against targets set for each factor.

The Sustainability Report will be prepared with reference to the SGX-ST Listing Manual (Rules 711A and 711B), which incorporates guidelines from the SGX-ST Sustainability Reporting Guide set out in Practice Note 7.6. The Sustainability Report is also prepared in accordance with the internationally recognized framework, the Global Reporting Initiatives ("GRI") Standards: Core Option. The Sustainability Report will be publicly accessible on SGXNet as well as the Group's website.

## DIRECTORS' STATEMENT

### DIRECTORS' INTERESTS IN SHARES AND DEBENTURES (CONT'D)

By virtue of Section 7 of the Companies Act 1967, Tan Eng Teong, Tan Teck Lin and Tan Eng How are deemed to have an interest in the shares held by the Company in all its subsidiaries.

Except as disclosed in this statement, no director who held office at the end of the financial year had interests in shares, share options, warrants or debentures of the Company, or of related corporations, either at the beginning of the financial year, or at the end of the financial year.

### SHARE OPTIONS

No share options have been granted by the Company since its incorporation.

### AUDIT COMMITTEE

The Audit Committee ("AC") comprises three board members, all of whom are non-executive and independent directors. The members of the AC, during the financial year and at the date of this report, are:

Tan Kok Aun (Chairman)  
Fang Swee Peng  
Lim Thian Loong

The AC carried out its functions in accordance with section 201B (5) of the Singapore Companies Act, 1967, including the following:

- Reviewed the audit plans of the internal and external auditors of the Group and the Company, and reviewed the internal auditor's evaluation of the adequacy of the Company's system of internal accounting controls and the assistance given by the Group and the Company's management to the external and internal auditors;
- Reviewed the semi-annual and annual financial statements and the auditors' report on the annual financial statements of the Group and the Company before their submission to the board of directors;
- Reviewed effectiveness of the Group and the Company's material internal controls, including financial, operational and compliance controls and risk management via reviews carried out by the internal auditor;
- Met with the external auditors, other committees, and management in separate executive sessions to discuss any matters that these groups believe should be discussed privately with the AC;
- Reviewed legal and regulatory matters that may have a material impact on the financial statements, related compliance policies and programmes and any reports received from regulators;
- Reviewed the cost effectiveness and the independence and objectivity of the external auditors;
- Reviewed the nature and extent of non-audit services provided by the external auditors;
- Recommended to the board of directors the external auditors to be nominated, approved the compensation of the external auditors, and reviewed the scope and results of the audit;
- Reported actions and minutes of the AC to the Board of Directors with such recommendations as the AC considered appropriate; and
- Reviewed interested person transactions in accordance with the requirements of the Singapore Exchange Securities Trading Limited's ("SGX-ST") Listing Manual.

## DIRECTORS' STATEMENT

### AUDIT COMMITTEE (CONT'D)

The AC, having reviewed all non-audit services provided by the external auditors to the Group, is satisfied that the nature and extent of such services would not affect the independence of the external auditors. The AC has also conducted a review of interested person transactions.

The AC convened two meetings during the year with full attendance from all members. The AC has also met with internal and external auditors, without the presence of the Company's management, at least once a year.

Further details regarding the AC are disclosed in the Corporate Governance Report.

## INDEPENDENT AUDITOR'S REPORT

For the financial year ended 31 December 2021

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HOTEL GRAND CENTRAL LIMITED

#### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

##### Opinion

We have audited the financial statements of Hotel Grand Central Limited (the "Company") and its subsidiaries (collectively, the "Group"), which comprise the balance sheets of the Group and the Company as at 31 December 2021, the statements of changes in equity of the Group and the Company and the consolidated statement of comprehensive income and consolidated cash flow statement of the Group for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group, and the balance sheet and the statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Companies Act 1967 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)") so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 31 December 2021 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group and changes in equity of the Company for the year ended on that date.

##### Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled our responsibilities described in the *Auditor's responsibilities for the Audit of the Financial Statements* section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

##### (a) Carrying value of hotel assets

The Group is the owner of several hotels in Australia, New Zealand, Singapore, China and Malaysia. The total carrying amount of the hotel assets subject to periodic revaluation comprised 79% of the total non-current assets as at 31 December 2021, and are disclosed in Note 6 to the consolidated financial statements. The Group's policy is to carry these hotel assets at revalued cost less accumulated depreciation and any accumulated impairment losses, with an asset re-valuation exercise carried out once every three years to ensure the carrying amount does not differ materially from the fair value of the hotel assets at the end of the reporting period. The latest valuation exercise was carried out for financial year ended 31 December 2020 in view of the heightened uncertainty of the COVID-19 pandemic outbreak in prior year.

## INDEPENDENT AUDITOR'S REPORT

For the financial year ended 31 December 2021

### Key Audit Matters (cont'd)

#### (a) Carrying value of hotel assets (cont'd)

Management reviews the carrying value of the hotel assets and assesses if there is any indication of impairment in its hotel assets by considering individual hotel asset's operating performance and evaluating if the hotel's performance is in line with the assumptions applied in the most recent hotel valuation cycle. For certain hotel assets that were more severely affected by the business disruption resulted from the ongoing COVID-19 pandemic, management engaged external professional valuers to update the fair value of these selected hotel assets as at 31 December 2021. The carrying value of the hotel assets is significant to our audit due to their magnitude, significant judgement required and sensitivity of the assumptions used by the external professional valuers and management. Such assumptions focus predominantly on future hotel operating performance, which is, amongst others, dependent on the expected occupancy rates, revenue growth rates and the competitive landscape in local markets, and the discount rates and capitalisation rates applied to arrive at the carrying value of the hotel assets. In addition, there was an increase in the levels of estimation uncertainty and judgement required in determining the valuation of certain hotel assets arising from the changes in market and economic conditions brought on by the ongoing COVID-19 pandemic. Management assesses, on an annual basis, whether there are triggering events indicating potential impairment. Management then applies its judgement in the assessment of the recoverability of the amounts invested in the hotel assets.

Our audit procedures included, amongst others, an evaluation of the Group's policies and procedures to identify triggering events for potential impairment and any material changes in the carrying value of hotel assets. We validated management's main cash flow assumptions and corroborated them by comparing them to internal forecasts and long term and strategic plans as well as historic trend analyses. We considered the objectivity, independence and expertise of the external professional valuers, and assessing the appropriateness of the valuation models and assumptions used by the external professional valuers for the selected hotel assets. We discussed with the external professional valuers on the appropriateness of their valuation methods and key valuation adjustments made in response to the changes in market and economic conditions brought on by the ongoing COVID-19 pandemic. In addition, we involved our internal real estate valuation specialists to assist us in validating the appropriateness of the valuation models and assumptions used by management by considering the valuation methodologies adopted for similar property types, and with reference to historical information, recent actual financial performance of the properties, recent transacted prices of comparable properties and industry data (where available). We also assessed the adequacy of the disclosures to Note 6 and 28 to the financial statements relating to the assumptions, given the estimation uncertainty and sensitivity of the valuations.

#### (b) Valuation of investment properties

Investment properties represent 13.5% of non-current assets as at 31 December 2021. The carrying amount of the Group's investment properties are disclosed in Note 7 to the financial statements. The valuation of these assets are significant to our audit due to their magnitude, their complexity and dependence on a range of estimates (amongst others, rental value, occupancy rates, discount rates, capitalisation rates and terminal yield rates) made by management as well as the external professional valuers. In addition, there was an increase in the levels of estimation uncertainty and judgement required in determining the valuation of investment properties arising from the changes in market and economic conditions brought on by the ongoing COVID-19 pandemic.

Management uses external professional valuers to support its determination of the individual fair value of the investment properties annually. Our audit procedures included amongst others, considering the objectivity, independence and expertise of the external professional valuers, and assessing the appropriateness of the valuation models and assumptions used by the external professional valuers. In addition, we involved our internal real estate valuation specialists to assist us in validating the appropriateness of the valuation models and assumptions used by management by considering the valuation methodologies adopted for similar property types, and with reference to historical information, recent actual financial performance of the properties, recent transacted prices of comparable properties and industry data (where available). Furthermore, we discussed with the external professional valuers on the appropriateness of their valuation methods and key valuation adjustments made in response to the changes in market and economic conditions brought on by the COVID-19 pandemic. We also assessed the adequacy of the disclosures to Note 7 and 28 to the financial statements relating to the assumptions, given the estimation uncertainty and sensitivity of the valuations.

## INDEPENDENT AUDITOR'S REPORT

For the financial year ended 31 December 2021

### Other Information

Management is responsible for other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I), and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

## INDEPENDENT AUDITOR'S REPORT

For the financial year ended 31 December 2021

### Auditor's Responsibilities for the Audit of the Financial Statements (cont'd)

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also: (cont'd)

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Low Yen Mei.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 1. CORPORATION INFORMATION

Hotel Grand Central Limited (the “Company”) is a limited liability company incorporated and domiciled in Singapore and is listed on the Singapore Exchange.

The registered office and principal place of business of the Company is located at 22 Cavenagh Road, Singapore 229617.

The principal activities of the Company consist of owning, operating and managing hotels. The principal activities of the subsidiaries and associates are disclosed in Note 8 and Note 9 respectively to the financial statements.

There have been no significant changes in the nature of these activities of the Company and its subsidiaries during the financial year.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 2.1 *Basis of preparation*

The consolidated financial statements of the Group and the balance sheet and statement of changes in equity of the Company have been prepared in accordance with Singapore Financial Reporting Standards (International) (“SFRS (I)”).

The financial statements have been prepared on a historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in Singapore Dollars (“SGD” or “\$”) and all values in are rounded to the nearest thousand (“\$’000”), except when otherwise indicated.

#### 2.2 *Adoption of new and amended standards and interpretations*

The accounting policies adopted are consistent with those of the previous financial year except that in the current financial year, the Group has adopted all the new and amended standards which are relevant to the Group and are effective for annual financial periods beginning on or after 1 January 2021. The adoption of these standards did not have a material effect on the financial performance or position of the Group and the Company.

#### 2.3 *Standards issued but not yet effective*

The Group has not adopted the following standards applicable to the Group that have been issued but not yet effective:

Description	Effective for annual periods beginning on or after
Amendments to SFRS(I) 16 on COVID-19 Related Rent Concessions beyond 30 June 2021	1 April 2021
Amendments to SFRS(I) 3: <i>Reference to the Conceptual Framework</i>	1 January 2022

Amendments to SFRS(I) 10 and SFRS(I) 1-28 <i>Sales or Contribution of Assets between an Investor and its Associate or Joint Venture</i>	Date to be determined

The directors expect that the adoption of the standards above will have no material impact on the financial statements in the year of initial application.

#### 2.4 *Basis of consolidation and business combinations*

##### (a) *Basis of consolidation*

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the end of the reporting period. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied to like transactions and events in similar circumstances.

All intra-group balances, income and expenses and unrealised gains and losses resulting from intra-group transactions and dividends are eliminated in full.

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

##### (b) *Business combinations and goodwill*

Losses within a subsidiary are attributed to the non-controlling interest even if that results in a deficit balance.

Business combinations are accounted for by applying the acquisition method. Identifiable assets acquired and liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. Acquisition-related costs are recognised as expenses in the periods in which the costs are incurred and the services are received.

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration which is an asset or liability, will be recognised in profit or loss.

Non-controlling interest in the acquiree, that are present ownership interests and entitle their holders to a proportionate share of net assets of the acquiree are recognised on the acquisition date at either fair value, or the non-controlling interest's proportionate share of the acquiree's identifiable net assets.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.4 *Basis of consolidation and business combinations (cont'd)*

##### (b) *Business combinations and goodwill (cont'd)*

Any excess of the sum of the fair value of the consideration transferred in the business combination, the amount of non-controlling interest in the acquiree (if any), and the fair value of the Group's previously held equity interest in the acquiree (if any), over the net fair value of the acquiree's identifiable assets and liabilities is recorded as goodwill. In instances where the latter amount exceeds the former, the excess is recognised as gain on bargain purchase in profit or loss on the acquisition date.

Goodwill is initially measured at cost. Following initial recognition, goodwill is measured at cost less any accumulated impairment losses.

For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to the Group's cash-generating units that are expected to benefit from the synergies of the combination.

The cash-generating units to which goodwill have been allocated is tested for impairment annually and whenever there is an indication that the cash-generating unit may be impaired. Impairment is determined for goodwill by assessing the recoverable amount of each cash-generating unit (or group of cash-generating units) to which the goodwill relates.

Where goodwill forms part of a cash-generating unit and part of the operation within that cash-generating unit is disposed of, the goodwill associated with the operation disposed of is included in the carrying amount of the operation when determining the gain or loss on disposal of the operation. Goodwill disposed of in this circumstance is measured based on the relative fair values of the operations disposed of and the portion of the cash-generating unit retained.

#### 2.5 *Foreign currency*

The financial statements are presented in Singapore Dollars ("SGD"), which is also the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

##### (a) *Transactions and balances*

Transactions in foreign currencies are measured in the respective functional currencies of the Company and its subsidiaries and are recorded on initial recognition in the functional currencies at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss.

Exchange differences arising on monetary items that form part of the Group's net investment in foreign operations are recognised initially in other comprehensive income and accumulated under foreign currency translation reserve in equity. The foreign currency translation reserve is reclassified from equity to profit or loss of the Group on disposal of the foreign operation.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.5 *Foreign currency (cont'd)*

##### (b) *Consolidated financial statements*

For consolidation purpose, the assets and liabilities of foreign operations are translated into SGD at the rate of exchange ruling at the end of the reporting period and their profit or loss are translated at the exchange rates prevailing at the date of the transactions. The exchange differences arising on the translation are recognised in other comprehensive income. On disposal of a foreign operation, the component of other comprehensive income relating to that particular foreign operation is recognised in profit or loss.

#### 2.6 *Property, plant and equipment*

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment other than freehold land, leasehold land and hotel buildings and improvements are measured at cost less accumulated depreciation and any accumulated impairment losses. Cost includes the cost of replacing part of the property, plant and equipment and borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying property, plant and equipment. The accounting policy for borrowing costs is set out in Note 2.17. The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

When significant parts of property, plant and equipment are required to be replaced in intervals, the Group recognises such parts as individual assets with specific useful lives and depreciation, respectively. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Freehold land, leasehold land, and hotel buildings and improvements are measured at fair value less accumulated depreciation on leasehold land and hotel buildings and improvements and impairment losses recognised after the date of the revaluation. Valuations are performed at least once every three years to ensure that the carrying amount does not differ materially from the fair value of the freehold land, leasehold land and hotel buildings and improvements at the end of the reporting period.

Any revaluation surplus is recognised in other comprehensive income and accumulated in equity under the asset revaluation reserve, except to the extent that it reverses a revaluation decrease of the same asset previously recognised in profit or loss, in which case the increase is recognised in profit or loss. A revaluation deficit is recognised in profit or loss, except to the extent that it offsets an existing surplus on the same asset carried in the asset revaluation reserve.

Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset. The revaluation surplus included in the asset revaluation reserve in respect of an asset is transferred directly to retained earnings on retirement or disposal of the asset.

Freehold land has an unlimited useful life and therefore is not depreciated.

Depreciation is computed on a straight-line basis over the estimated useful lives of the assets as follows:

Leasehold land	- 35 to 99 years
Hotel buildings and improvements	- 50 years
Furniture, fixtures and office equipment	- 2 to 13 years
Property, equipment and electrical fittings	- 10 years
Kitchen and room equipment	- 4 years
Motor vehicles	- 5 to 10 years

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.6 *Property, plant and equipment (cont'd)*

Assets under construction included in plant and equipment are not depreciated as these assets are not yet available for use.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual value, useful life and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on de-recognition of the asset is included in profit or loss in the year the asset is de-recognised.

#### 2.7 *Investment properties*

Investment properties are properties that are either owned by the Group or leased under a finance lease that are held to earn rentals or for capital appreciation, or both, rather than for use in the production or supply of goods or services, or for administrative purposes, or in the ordinary course of business. Investment properties comprise completed investment properties. Properties held under operating leases are classified as investment properties when the definition of an investment property is met.

Investment properties are initially measured at cost, including transaction costs.

Subsequent to initial recognition, investment properties are measured at fair value. Gains or losses arising from changes in the fair values of investment properties are included in profit or loss in the year in which they arise.

Investment properties are de-recognised when either they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. Any gains or losses on the retirement or disposal of an investment property are recognised in profit or loss in the year of retirement or disposal.

Transfers are made to or from investment property only when there is a change in use. For a transfer from investment property to owner-occupied property, the deemed cost for subsequent accounting is the fair value at the date of change in use. For a transfer from owner-occupied property to investment property, the property is accounted for in accordance with the accounting policy for property, plant and equipment set out in Note 2.6 up to the date of change in use.

#### 2.8 *Intangible assets*

Intangible assets acquired separately are measured initially at cost. Following initial acquisition, intangible assets are carried at cost less any accumulated amortisation and any accumulated impairment losses. Internally generated intangible assets, excluding capitalised development costs, are not capitalised and expenditure is reflected in profit or loss in the year in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite useful lives are amortised over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method are reviewed at least at each financial year-end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.8 *Intangible assets (cont'd)*

Intangible assets with indefinite useful lives or not yet available for use are tested for impairment annually, or more frequently if the events and circumstances indicate that the carrying value may be impaired either individually or at the cash-generating unit level. Such intangible assets are not amortised. The useful life of an intangible asset with an indefinite useful life is reviewed annually to determine whether the useful life assessment continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss when the asset is de-recognised.

#### 2.9 *Impairment of non-financial assets*

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when an annual impairment testing for an asset is required, the Group makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses of continuing operations are recognised in profit or loss, except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case, the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

A previously recognised impairment loss for an asset other than goodwill is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase.

An impairment loss on goodwill is recognised as an expense and is not reversed in a subsequent period.

#### 2.10 *Subsidiaries*

A subsidiary is an investee that is controlled by the Group. The Group controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

In the Company's separate financial statements, investments in subsidiaries are accounted for at cost less impairment losses.

#### 2.11 *Associates*

An associate is an entity over which the Group has the power to participate in the financial and operating policy decisions of the investee but does not have control or joint control of those policies.

The Group accounts for its investments in associates using the equity method from the date on which it becomes an associate.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.11 *Associates (cont'd)*

On acquisition of the investment, any excess of the cost of the investment over the Group's share of the net fair value of the investee's identifiable assets and liabilities represents goodwill and is included in the carrying amount of the investment. Any excess of the Group's share of the net fair value of the associate's identifiable assets and liabilities over the cost of the investment is included as income in the determination of the Group's share of associate's profit or loss in the period in which the investment is acquired.

Under the equity method, the investments in associates are carried in the balance sheet at cost plus post-acquisition changes in the Group's share of net assets of the associates. The profit or loss reflects the share of results of the operations of the associates. Distributions received from associates reduce the carrying amount of the investment. Where there has been a change recognised in other comprehensive income by the associates, the Group recognises its share of such changes in other comprehensive income. Unrealised gains and losses resulting from transactions between the Group and its associates are eliminated to the extent of the interest in the associates.

When the Group's share of losses in an associate equals or exceeds its interest in the associate, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the associate.

After application of the equity method, the Group determines whether it is necessary to recognise an additional impairment loss on the Group's investment in its associates. The Group determines at the end of each reporting period whether there is any objective evidence that the investment in the associate is impaired. If this is the case, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate and its carrying value and recognises the amount in profit or loss.

The financial statements of the associates are prepared as of the same reporting date as the Company. Where necessary, adjustments are made to bring the accounting policies in line with those of the Group.

Upon loss of significant influence over the associate, the Group measures any retained interest at its fair value. Any difference between the fair value of the aggregate of the retained interest and proceeds from disposal and the carrying amount of the investment at the date the equity method was discontinued is recognised in profit or loss.

#### 2.12 *Financial instruments*

##### (a) *Financial assets*

###### *Initial recognition and measurement*

Financial assets are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument.

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Trade receivables are measured at the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third party, if the trade receivables do not contain a significant financing component at initial recognition.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.12 *Financial instruments (cont'd)*

##### (a) *Financial assets (cont'd)*

###### ***Subsequent measurement***

###### *Investments in debt instruments*

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the contractual cash flow characteristics of the asset. The three measurement categories for classification of debt instruments are amortised cost, fair value through other comprehensive income and fair value through profit or loss. The Group only has debt instruments at amortised cost.

Financial assets that are held for the collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the assets are de-recognised or impaired, and through amortisation process.

###### *Investments in equity instruments*

On initial recognition of an investment in equity instrument that is not held for trading, the Group may irrevocably elect to present subsequent changes in fair value in other comprehensive income (OCI). Dividends from such investments are to be recognised in profit or loss when the Group's right to receive payments is established. For investments in equity instruments which the Group has not elected to present subsequent changes in fair value in OCI, changes in fair value are recognised in profit or loss.

###### ***De-recognition***

A financial asset is de-recognised where the contractual right to receive cash flows from the asset has expired. On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income for debt instruments is recognised in profit or loss.

##### (b) *Financial liabilities*

###### ***Initial recognition and measurement***

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at fair value through profit or loss, directly attributable transaction costs.

###### ***Subsequent measurement***

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are de-recognised, and through the amortisation process.

###### ***De-recognition***

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. On de-recognition, the difference between the carrying amounts and the consideration paid is recognised in profit or loss.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.13 *Impairment of financial assets*

The Group recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss and financial guarantee contracts. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

For trade receivables, the Group applies a simplified approach in calculating ECLs. Therefore, the group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Group considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Group may also consider a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

#### 2.14 *Cash and cash equivalents*

Cash and cash equivalents comprise cash at bank and on hand and short-term deposits that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value.

#### 2.15 *Inventories*

Inventories are stated at the lower of cost and net realisable value. Costs incurred in bringing the inventories to their present location and condition is determined based on purchase costs on a first-in first-out basis. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

#### 2.16 *Provisions*

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.17 *Borrowing costs*

Borrowing costs are capitalised as part of the cost of a qualifying asset if they are directly attributable to the acquisition, construction or production of that asset. Capitalisation of borrowing costs commences when the activities to prepare the asset for its intended use or sale are in progress and the expenditures and borrowing costs are incurred. Borrowing costs are capitalised until the assets are substantially completed for their intended use or sale. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

#### 2.18 *Employee benefits*

##### (a) *Defined contribution plans*

The Group participates in the national pension schemes as defined by the laws of the countries in which it has operations. In particular, the Group make contributions to the defined contribution pension schemes, including Central Provident Fund scheme in Singapore, Superannuation in Australia and New Zealand Superannuation in New Zealand. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

##### (b) *Employee leave entitlement*

Employee entitlements to annual leave are recognised as a liability when they are accrued to the employees. The undiscounted liability for leave expected to be settled wholly before twelve months after the end of the reporting period is recognised for services rendered by employees up to the end of the reporting period.

#### 2.19 *Leases*

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

##### (a) *As lessee*

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities representing the obligations to make lease payments and right-of-use assets representing the right to use the underlying leased assets.

##### *Right-of-use assets*

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

Leasehold land	35 to 99 years
Furniture, fixtures and office equipment	2 to 5 years
Property, equipment and electrical fittings	6 years
Motor vehicles	5 years

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.19 Leases (cont'd)

##### (a) As lessee (cont'd)

###### Right-of-use assets (cont'd)

If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. The accounting policy for impairment is disclosed in Note 2.9.

Right-of-use assets are presented within property, plant and equipment (Note 6).

###### Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

###### Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

##### (b) As lessor

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned. The accounting policy for rental income is set out in Note 2.21(b).

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.20 *Customer loyalty programme*

The Group operates two different loyalty programmes: the Chancellor Club (CC), which earns a member one point for each night booked per room; and GC Rewards (GC), which earns a member one point for each dollar spent per stay. The points can then be redeemed for free goods and accommodation, subject to a minimum number of points being obtained.

Consideration received is allocated between the associated revenue and the points issued based on the fair value of the points. Fair value of the points is determined by applying statistical analysis. The fair value of the points issued is deferred and recognised as revenue when the points are redeemed.

#### 2.21 *Revenue*

Revenue is measured based on the consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Revenue is recognised when the Group satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

##### (a) *Hotel operations*

Room revenue from rental of hotel rooms is recognised when the services are rendered.

Food and beverage income is recognised upon sale.

Other hotel operations revenue comprises income from the operation of hotel and facilities therein and is recognised as and when goods and services are provided.

##### (b) *Rental income from investment properties*

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms. The aggregate costs of incentives provided to lessees are recognised as a reduction of rental income over the lease term on a straight-line basis.

##### (c) *Interest income*

Interest income is recognised using the effective interest method.

##### (d) *Dividend income*

Dividend income is recognised when the Group's right to receive payment is established.

#### 2.22 *Taxes*

##### (a) *Current income tax*

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the end of the reporting period, in the countries where the Group operates and generates taxable income.

Current income taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.22 *Taxes (cont'd)*

##### (b) *Deferred tax*

Deferred tax is provided using the liability method on temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all temporary differences, except:

- Where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of taxable temporary differences associated with investments in subsidiaries and associates, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised except:

- Where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of deductible temporary differences associated with investments in subsidiaries and associates, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the end of each reporting period.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity and deferred tax arising from a business combination is adjusted against goodwill on acquisition.

##### (c) *Sales tax*

Revenues, expenses and assets are recognised net of the amount of sales tax except:

- Where the sales tax incurred in a purchase of assets or services is not recoverable from the taxation authority, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables that are stated with the amount of sales tax included.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 2.22 Taxes (cont'd)

##### (c) Sales tax (cont'd)

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

#### 2.23 Segment reporting

For management purposes, the Group is organised into operating segments based on their products and services which are independently managed by the respective segment managers responsible for the performance of the respective segments under their charge. The segment managers report directly to the management of the Company who regularly review the segment results in order to allocate resources to the segments and to assess the segment performance. Additional disclosures on each of these segments are shown in Note 31, including the factors used to identify the reportable segments and the measurement basis of segment information.

#### 2.24 Share capital and share issuance expenses

Proceeds from issuance of ordinary shares are recognised as share capital in equity. Incremental costs directly attributable to the issuance of ordinary shares are deducted against share capital.

#### 2.25 Contingencies

A contingent liability is:

- (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or
- (b) a present obligation that arises from past events but is not recognised because:
  - (i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - (ii) The amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingent liabilities and assets are not recognised on the balance sheet of the Group, except for contingent liabilities assumed in a business combination that are present obligations and which the fair values can be reliably determined.

#### 2.26 Government grants

Government grants are recognised when there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Government grants shall be recognised in profit or loss on a systematic basis over the periods in which the entity recognised as expenses the related costs for which the grants are intended to compensate, and are deducted against the related expenses.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES

The preparation of the Group's consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. Uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future periods. Management is of the opinion that there is no significant judgement made in applying accounting policies that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial period.

#### 3.1 *Key sources of estimation uncertainty*

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period are discussed below. The Group based its assumptions and estimates on parameters available when the financial statement was prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

##### (a) *Carrying value of hotel assets*

The Group and Company carries its hotel assets at revalued cost less accumulated depreciation and any accumulated impairment losses, with an asset re-valuation exercise carried out once every three years to ensure the carrying amount does not differ materially from the fair value of the hotel assets at the end of the reporting period. The latest valuation exercise was carried out for financial year ended 31 December 2020 in view of the heightened uncertainty of the COVID-19 pandemic outbreak in prior year. Management reviews the carrying value of the hotel assets and assesses if there is any indication of impairment in its hotel assets by considering individual hotel asset's operating performance and evaluating if the hotel's performance is in line with the assumptions applied in the most recent hotel valuation cycle. For certain hotel assets that were more severely affected by the business disruption resulted from the ongoing COVID-19 pandemic, management engaged external professional valuers to update the fair value of these selected hotel assets as at 31 December 2021.

The fair values of hotel assets are determined by external professional valuers using recognised valuation techniques. These techniques comprise both the Discounted Cash Flow Method and the Capitalisation Method.

The determination of the fair values of the hotel assets require the use of judgement, predominantly focusing on future hotel operating performance, which is, amongst others, dependent on the expected occupancy rates, revenue growth rates and the discount rates and capitalisation rates applied to arrive at the valuation of the hotel assets. These estimates are based on local market conditions existing at the end of each reporting date.

The carrying amount of the Group's hotel properties at the end of the reporting period is disclosed in Note 6 to the financial statements.

##### (b) *Valuation of investment properties*

The Group carries its investment properties at fair value, with changes in fair values being recognised in profit or loss. The fair values of investment properties are determined by external professional valuers using recognised valuation techniques. These techniques comprise both the Discounted Cash Flow Method and the Capitalisation Method.

The determination of the fair values of the investment properties require the use of estimates (amongst others, rental value, occupancy rates, discount rates, capitalisation rates and terminal yield rates). These estimates are based on local market conditions existing at the end of each reporting date.

The carrying amount and key assumptions used to determine the fair value of the investment properties are further explained in Note 7.

At end of financial year	739,426	515,009	726,535	502,537

During the financial year, the Company settled \$12,472,000 of the final dividend declared in respect of financial year ended 31 December 2020 with scrips (Note 25).

The holders of ordinary shares are entitled to receive dividends as and when declared by the Company. All ordinary shares carry one vote per share without restrictions. The ordinary shares have no par value.

### 5. RESERVES

**(a) Asset revaluation reserve**

The asset revaluation reserve represents increases in the fair value of freehold land, leasehold land and hotel buildings and improvements, net of related deferred tax, and decreases to the extent that such decrease relates to an increase in the same asset previously recognised in other comprehensive income.

**(b) Fair value adjustment reserve**

Fair value adjustment reserve represents the cumulative fair value changes, net of tax, of investments in equity instruments designated at fair value through other comprehensive income until they are disposed of or impaired.

**(c) Foreign currency translation reserve**

The foreign currency translation reserve represents exchange differences arising from the translation of the financial statements of foreign operations whose functional currencies are different from that of the Group's presentation currency.

**(d) Other reserve**

Other reserve comprises discount on acquisition of non-controlling interests.

Details of the above reserve accounts are disclosed in the statements of changes in equity.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 6. PROPERTY, PLANT AND EQUIPMENT (CONT'D)

#### *Revaluation of land and buildings*

Land and buildings were revalued at 31 December 2021 based on valuations performed by accredited independent valuers.

The specific risks in each of the hotel properties are taken into consideration in arriving at the property valuation. The valuation methods used in determining the fair value involve certain estimates including those relating to capitalisation rate, discount rate and terminal yield. In relying on the valuation reports, management has exercised its judgement and is satisfied that the valuation methods and estimates used are reflective of the market conditions. Details of valuation techniques and inputs used are disclosed in Note 28(c).

In 2021, external professional valuers were engaged to update the fair value of selected hotel assets in view of the continued uncertainty of the COVID-19 pandemic. The Group recognised a net valuation decrement of \$7,658,000 (2020: \$75,490,000) on the Group's hotel assets based on valuations performed by external professional valuers. In 2020, there was an impairment on hotel assets of \$2,626,000 recognised in profit or loss in relation to the valuation decrement of Hotel Grand Chancellor, Adelaide after extinguishing past accumulated asset revaluation reserve of the hotel asset.

If the freehold land, leasehold land and hotel buildings and improvements were measured using the cost model, the carrying amounts would be as follows:

	Group		Company	
	2021	2020	2021	2020
	\$'000	\$'000	\$'000	\$'000

Net carrying amount	220,294	228,664	28,831	29,491

#### *Cash flows during the year*

During the financial year, the cash outflow on acquisition of property, plant and equipment amounted to \$23,366,000 (2020: \$13,089,000).

#### *Assets acquired under leasing arrangements*

Right-of-use assets acquired under leasing arrangements are presented together with the owned assets of the same class. Details of such leased assets are disclosed in Note 16(a).

The Group has no restrictions on the realisability of its investment properties and no contractual obligations to purchase, construct or develop investment property or for repairs, maintenance or enhancements.

Investment properties comprise commercial properties that are leased to third parties on operating leases.

Investment properties are stated at fair value which has been determined based on valuations performed at the end of the reporting periods. The valuations were performed by accredited independent valuers with recognised and relevant professional qualification and with recent experience in the location and category of properties being valued. The valuations are determined based on the capitalisation method and discounted cash flow method. Details of the valuation techniques and inputs used are disclosed in Note 28(c).

In relying on the valuation reports, management has exercised its judgement and is satisfied that the valuation methods and estimates are reflective of current market conditions.

The valuations were carried out by the following independent valuers:

Country	2021 Valuers	2020 Valuers
Australia	Nil	CBRE Limited
New Zealand	CBRE Limited	CBRE Limited and Colliers International

The property rental income earned by the Group for the year ended 31 December 2021 from its investment properties, all of which are leased out under operating leases, amounted to \$17,434,000 (2020: \$18,155,000). Direct operating expenses (including repairs and maintenance) arising on the rental-earning investment properties amounted to \$4,207,000 (2020: \$3,647,000).

During the financial year ended 31 December 2021, the Group has classified two of its investment properties amounting to \$98,056,000 (2020: \$Nil), which are Fonterra House, New Zealand and 300 Flinders Street, Melbourne Australia under assets held for sale and recorded at their fair value less cost to sell. Fonterra House, New Zealand was contracted for sale on 23 December 2021 for \$18,831,000 (NZD 20,400,000). The sale was not completed as at year end and subsequently the contract was lapsed as the vendor was unable to secure finance by the due date. On 29 June 2021, the Group entered into a sales contract to sell the investment property located at 300 Flinders Street, Melbourne Australia for a consideration of \$79,224,000 (AUD 80,800,000). The property was contractually settled on 25 February 2022 after receiving approvals from the Foreign Investment Review Board and other regulatory bodies.

Investment properties amounting to approximately \$99,787,000 (2020: \$97,823,000) have been mortgaged to banks as securities for bank facilities.

#### Impairment testing of investment in an associated company

During the financial year, management performed an updated impairment assessment for the investment in Grand Central Enterprises Bhd ("GCE Bhd"). Based on the impairment assessment for this investment, an impairment loss of \$516,000 (2020: impairment loss of \$937,000) had been recognised in the "impairment loss on investment in an associated company" line item of the profit or loss to reflect the investment in this associated company at its recoverable amount.

The recoverable amount was determined as the higher of value in use or fair value less costs to sell of the investment. The value in use was calculated using cash flow projections from financial budgets approved by management covering a five-year period. A pre-tax discount rate of 6.49% (2020: 7.21%), a growth rate of 0.7% (2020: 0.2%) during the five-year period and a terminal growth rate of 0% (2020: 0%) was applied to the cash flow projections. The fair value less costs to sell was calculated using the open market trading price of Grand Central Enterprises Bhd's shares on the Bursa Malaysia, less anticipated selling costs.

### 16. LEASES

#### **As Lessee**

The Group has lease contracts for land, property, equipment and motor vehicle. The Group's obligations under these leases are secured by the lessor's title to the leased assets. The Group is restricted from assigning and subleasing the leased assets. There are lease contracts that include extension options which are further discussed below.

The Group also has certain leases of equipment with lease terms of 12 months or less and leases of equipment with low value. The Group applies the 'short-term lease' and 'lease of low-value assets' recognition exemptions for these leases.

#### (e) Total cash outflow

The Group had total cash outflows for leases of \$302,000 (2020: \$682,000). The Group also had non-cash additions and disposals to right-of-use assets and lease liabilities of \$3,000 (2020: \$118,000) and \$6,000 (2020: Nil) respectively during the financial year ended 31 December 2021.

#### (f) Extension options

The Group's investment property JacksonStone House located at Wellington, New Zealand is situated on leased land parcels with a perpetual renewal option. The corresponding leases are renewable at 21 year intervals and has no escalation clauses. In recognising right-of-use assets and lease liabilities, the Group assumes that the leases will be renewed in perpetuity.

#### As lessor

The Group has entered into commercial property leases and property leases on its investment properties (Note 7) and hotel portfolio. These non-cancellable leases have remaining non-cancellable lease terms of between one year and ten years (2020: one year to eleven years) with renewal options for some contracts but no escalation clauses included in the contracts. There are no restrictions placed upon the Group by entering into these leases.

Rental income from investment properties is disclosed in Note 18.

(i) NZD loan 1 to subsidiary in New Zealand - Bank term loan		
Current	12,000	27,704
	<u>12,000</u>	<u>27,704</u>

The NZD loan that was granted to a subsidiary in New Zealand is secured by way of a legal mortgage over the land and building at 161 Cashel Street, Christchurch. The loan bears interest at 1.80% per annum above the bank bill rates and was refinanced on 11 November 2019. The effective interest rate ranged between 2.30% to 2.90% (2020: 3.35% to 4.40%) per annum. Interest is repriced every 30, 60, 90, 120, 150 or 180 days. The loan is repayable in seven semi-annual installments of NZ\$1,500,000 each. The loan repayment commenced on 22 December 2019 with a final payment of NZ\$24,500,000 on 22 December 2022. The loan is classified as current liabilities since the subsidiary does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting period under the terms of the credit facilities.

#### (ii) NZD loan 2 to subsidiary in New Zealand - Short term bank loan

Current	2,770	–
	<u>2,770</u>	<u>–</u>

The NZD short term revolving bank loan facility that was granted to a subsidiary in New Zealand was secured by a charge over certain fixed deposits of the Company. The loan bears interest at 0.9% per annum above the bank's cost of funds, which is also the effective interest rate. Interest is repriced at an interval of between one to six months.

### 23. INCOME TAX EXPENSE (CONT'D)

*Relationship between tax expense and accounting profit*

The reconciliation between the tax expense and the product of accounting profit multiplied by the applicable corporate tax rate for the financial years ended 31 December 2021 and 2020 are as follows:

	Group	
	2021	2020
	\$'000	\$'000
Profit before tax	19,803	38,222
Tax at the domestic rates applicable to profits in the countries where the Group operates	5,557	9,883

Release of deferred tax liability on disposal of investment property	132	(601)
(Over)/under provision in respect of previous years		
- Current income tax	(1,602)	1
- Deferred tax	(71)	187
Share of results of associates	26	119
Others	(665)	(633)
Income tax expense recognised in profit or loss	5,851	894

The above reconciliation is prepared by aggregating the separate tax reconciliation for each national jurisdiction.

Change in tax depreciation on buildings was related to the reintroduction of tax depreciation deductions on industrial and commercial buildings in New Zealand enacted in the COVID-19 Response (Taxation and Social Assistance Urgent Measures) Act by the New Zealand Government with effect from 2020/2021 tax year.

Non-deductible expenses mainly comprised tax effects on fair value loss of investment properties and depreciation of non-qualifying assets.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 28. FAIR VALUES OF ASSETS AND LIABILITIES

#### (a) Fair value hierarchy

The Group categories fair value measurements using a fair value hierarchy that is dependent on the valuation inputs used as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at the measurement date;

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and

Level 3 - Unobservable inputs for the asset or liability.

Fair value measurements that use inputs of different hierarchy levels are categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

#### (b) Assets and liabilities measured at fair value

The following table shows an analysis of each class of assets and liabilities measured at fair value at the end of the reporting period:

- Capitalisation rate corresponds to a rate of return on a property based on the income that the property is expected to generate.
- Discount rate represents the required rate of return, adjusted for a risk premium that reflects the risks relevant to an asset.
- Terminal yield rate reflects an exit capitalisation rate applied to a projected terminal cash flow.

###### Valuation policies and procedures

The Group engages external independent and qualified valuers to determine the fair value of the Group's investment properties at the end of every financial year.

Management is responsible for selecting and engaging valuation experts that possess the relevant credentials and knowledge of valuation of commercial investment properties. For valuation performed by external valuers, management reviews the appropriateness of the valuation methodologies and assumptions adopted.

Significant changes in fair value measurements from period to period are evaluated by management for reasonableness. Key drivers of the changes are identified and assessed for reasonableness against relevant information from independent external sources. Significant valuation issues are reported to the Audit Committee.

Valuation policies and procedures

The valuation policies and procedures of the Group's hotel assets are similar to those of the Group's investment properties (Note 28(c)(i)).

For hotel assets valued under the discounted cash flow method, a significant increase/(decrease) in discount rates based on valuer's assumptions would have resulted in a significantly (lower)/higher fair value measurement.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 28. FAIR VALUES OF ASSETS AND LIABILITIES (CONT'D)

- (e) ***Fair value of financial instruments that are not carried at fair value and whose carrying amounts are reasonable approximation of fair value***

*Trade and other receivables and payables (Notes 13 and 15), cash and short-term deposits (Note 14), accrued operating expenses, and loans and borrowings at floating rate (Note 17)*

The carrying amounts of these financial assets and liabilities are reasonable approximation of fair values, either due to their short-term nature or that they are floating rate instruments that are re-priced to market interest rates on or near the end of the reporting period.

### 29. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group and the Company are exposed to financial risks arising from its operations and use of financial instruments. The key financial risks include interest rate risk, liquidity risk, foreign currency risk, credit risk and market price risk. The board of directors reviews and agrees policies and procedures for the management of these risks, which are executed by the management.

It is, and has been throughout the current and previous financial year, the Group's policy that no derivatives shall be undertaken except for the use as hedging instruments where appropriate and cost-efficient. The Group and the Company do not apply hedge accounting.

The following sections provide details regarding the Group's and Company's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

There has been no change to the Group's exposure to these financial risks or the manner in which it manages and measures the risks.

#### ***Interest rate risk***

Interest rate risk is the risk that the fair value or future cash flows of the Group's and the Company's financial instruments will fluctuate because of changes in market interest rates. The Group's and the Company's exposure to interest rate risk arises primarily from their loans and borrowings. All of the Group's and the Company's financial assets and liabilities at floating rates are contractually re-priced at intervals of less than 6 months (2020: less than 6 months) from the end of the reporting period.

Information relating to the Group's interest rate exposure is disclosed in cash and short-term deposits (Note 14) and loans and borrowings (Note 17).

The Group has cash and cash equivalents placed with reputable financial institutions, which generate interest income for the Group. The Group manages its interest rate risk by placing such balances on varying maturities and interest rate terms.

#### Sensitivity analysis for interest rate risk

At the end of the reporting period, if interest rates had been 100 (2020: 100) basis points lower/higher with all other variables held constant, the Group's profit net of tax would have been \$106,000 higher/lower (2020: \$199,000 higher/lower), arising mainly as a result of lower/higher interest expense on floating rate loans and borrowings. The assumed movement in basis points for interest rate sensitivity analysis is based on the currently observable market environment.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 29. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

#### *Liquidity risk*

Liquidity risk is the risk that the Group or the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Group's and the Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Group's and the Company's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

The Group's and the Company's liquidity risk management policy is to maintain sufficient liquid financial assets and stand-by credit facilities. At the end of the reporting period, the Group's loans and borrowings (Note 17) that will mature in less than one year based on the carrying amount reflected in the financial statements amounted to approximately 100% (2020: 100%) of total loans and borrowings.

The table below summarises the maturity profile of the Group's and the Company's financial assets used for managing liquidity risk and financial liabilities at the end of the reporting period based on contractual undiscounted repayment obligations:

#### *Foreign currency risk*

The Group and the Company hold cash and cash equivalents denominated in foreign currencies for working capital purposes. At the end of the reporting period, such foreign currency balances (mainly in Australian Dollar (AUD), New Zealand Dollar (NZD), Malaysian Ringgit (MYR) and Renminbi (RMB)) amounted to \$205,290,000 (2020: \$212,021,000) for the Group. The Group does not enter into any derivatives to hedge foreign exchange exposures.

The Group is also exposed to currency translation risk arising from its net investments in foreign operations, including Australia, New Zealand, Malaysia and People's Republic of China. The Group's net investments are not hedged as currency positions in AUD, NZD, MYR and RMB are considered to be long-term in nature.

The Group has minimal transactional currency exposures arising from sales or purchases that denominated in a currency other than the respective functional currencies of the Group entities, primarily SGD, AUD, NZD, MYR and RMB.

### 29. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

#### *Foreign currency risk (cont'd)*

##### Sensitivity analysis for foreign currency risk

The following table demonstrates the sensitivity of the Group's profit net of tax to a reasonably possible change in the AUD, NZD, MYR and RMB exchange rates against the respective functional currencies of the Group entities, with all other variables held constant.

#### **Credit risk**

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Group's and the Company's exposure to credit risk arising primarily from trade and other receivables. For other financial assets, including investment securities and cash and short-term deposits, the Group and the Company minimise credit risk by dealing exclusively with high credit ratings counterparties.

The Group's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. The Group trades only with recognised and creditworthy third parties. It is the Group's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. Cash terms and advance payments are required for customers of lower credit standing. In addition, receivable balances are monitored on an ongoing basis with the result that the Group's exposure to bad debts is not significant.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

The Group has determined the default event on a financial asset to be when the counterparty fails to make contractual payments when they fall due within 90 days, or when the debtor is in significant financial difficulties or liquidation.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 29. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

#### *Credit risk (cont'd)*

To assess whether there is a significant increase in credit risk, the Group compares the risk of a default occurring on the asset as at reporting date with the risk of default as at the date of initial recognition. The Group considers available reasonable and supportive forwarding-looking information which includes the following indicators:

- Internal credit rating
- External credit rating
- Actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the debtor's ability to meet its obligations
- Actual or expected significant changes in the operating results of the debtor
- Significant increases in credit risk on other financial instruments of the same debtor
- Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements
- Significant changes in the expected performance and behaviour of the debtor, including changes in the payment status of debtors in the group and changes in the operating results of the debtor

Regardless of the analysis above, a significant increase in credit risk is presumed if a debtor is more than 30 days past due in making contractual payment.

The Group determined that its financial assets are credit-impaired when:

- There is significant difficulty of the issuer or the debtor
- A breach of contract, such as a default or past due event
- It is becoming probable that the debtor will enter bankruptcy or other financial reorganisation
- There is a disappearance of an active market for that financial asset because of financial difficulty

The Group categorises a loan or receivable for potential write-off when a debtor fails to make contractual payments more than 90 days past due. Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Group. Where loans and receivables have been written off, the Group continues to engage enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

The following are credit risk management practices and quantitative and qualitative information about amounts arising from expected credit losses for each class of financial assets.

(i) Trade and other receivables at amortised cost

The Group uses a provision matrix to measure the lifetime expected credit loss allowance for trade receivables which are grouped based on days past due. In calculating the expected credit loss rates, the Group considers historical loss rates for each category of receivables and adjust to reflect current and forward-looking macroeconomic data. Loss allowances for other receivables are measured based on 12-month expected credit loss.

Other than the debtors that are identified to be credit impaired, the Group had assessed that the lifetime expected credit loss of trade and other receivables is not significant.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 29. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

#### *Credit risk (cont'd)*

##### Excessive risk concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Group's performance to developments affecting a particular industry.

In order to avoid excessive concentrations of risk, the Group's policies and procedures include specific guidelines to focus on maintaining a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly. Selective hedging may be used within the Group to manage risk concentrations at both the relationship and industry levels. The Group does not apply hedge accounting.

##### Credit risk concentration profile

The Group determines concentrations of credit risk by monitoring the country of its trade receivables on an on-going basis. The credit risk concentration profile of the Group's trade receivables at the end of the reporting period is as follows:

	Group			
	2021		2020

The Group had assessed that the lifetime expected credit loss of these trade receivables is not significant.

As at 31 December 2021 and 2020, management has identified certain debtors to be credit impaired as they experienced significant financial difficulties and delays in payment. Hence, management has assessed the recoverability of the outstanding balances separately from the provision matrix.

## NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2021

### 29. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

#### *Market price risk*

Market price risk is the risk that the fair value or future cash flows of the Group's financial instruments will fluctuate because of changes in market prices (other than interest or exchange rates). The Group is exposed to equity price risk arising from its investment in quoted equity instruments. These instruments are quoted on the Singapore Exchange and are classified as financial assets at fair value through other comprehensive income. The Group does not have exposure to commodity price risk.

The Group's objective is to manage investment returns and equity price risk by investing in shares with steady dividend yield. At the end of the reporting period, 96% (2020: 96%) of the Group's equity portfolio comprise shares included in the Straits Times Index ("STI").

#### *Sensitivity analysis for equity price risk*

At the end of the reporting period, if the equity share price had been 5% (2020: 5%) higher/lower with all other variables held constant, the Group's other comprehensive income would have been \$994,000 (2020: \$867,000) higher/lower, arising as a result of an increase/decrease in the fair value of equity instruments classified as FVOCI.

### 30. CAPITAL MANAGEMENT

The Group's objectives when managing capital are to safeguard the Group's ability to continue as a going concern and to maintain an optimal capital structure so as to maximise shareholder value. The Group manages its capital structure by taking into account its current and projected cash flow, expansion and capital expenditure commitments, and ensuring a prudent debt to equity ratio.

The Group monitors capital using a gearing ratio which is net debt divided by total capital plus net debt. The Group includes within net debt, trade and other payables, accrued operating expenses, lease liabilities, loans and borrowings, less cash and short-term deposits. Capital include equity attributable to owners of the Company, less asset revaluation reserve and fair value adjustment reserve.

No changes were made in the objectives, policies or processes during the financial years ended 31 December 2021 and 2020. The Group has complied with externally imposed capital requirements for the financial years ended 31 December 2021 and 2020.

### 31. SEGMENT INFORMATION

For management purposes, the Group is organised into business units based on their geographical locations, and has five reportable operating segments as follows:

- Singapore
- Malaysia
- Australia
- New Zealand
- China

No operating segments have been aggregated to form the above reportable operating segments.

Management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profit or loss which in certain respects, as explained in the table below, is measured differently from operating profit or loss in the consolidated financial statements.

Segment results, assets and liabilities include items directly attributable to a segment as well as those that are allocated on a reasonable basis. Unallocated items comprise mainly income tax and foreign exchange gain or loss, and deferred tax assets and liabilities. Inter-segment assets and liabilities are eliminated.

Transfer prices between operating segments are set on an arm's length basis in a manner similar to transactions with external parties.

Segment capital expenditure is the total costs incurred during the financial year to acquire segment assets that are expected to be used for more than one year.

### 32. IMPACT OF COVID-19

The unprecedented COVID-19 pandemic created global economic uncertainty and caused severe business disruptions. The recovery of the hotel industry is largely dependent upon the post pandemic recovery of the global economy and the sustained resumption of global business and leisure travelling.

The impact of COVID-19 increases the level of judgement required to determine the fair values of the Group's hotel assets and investment properties. For the financial year ended 31 December 2021, external professional valuers were engaged to update the fair value of selected hotel assets in view of the ongoing uncertainty of the COVID-19 pandemic. In relying on the valuation reports from the external professional valuers and internal assessments, management has exercised its judgement and is satisfied that the valuation methods and estimates are reflective of current market conditions.

The Group will continue to monitor the COVID-19 outbreak in the respective countries the Group operates in, including the guidelines, regulations and legislations provided by the authorities. Given the fluidity of the COVID-19 pandemic, the full impact of the pandemic to the Group's performance for the year ending 31 December 2022 cannot be ascertained as at the date of this report.

### 33. AUTHORISATION OF FINANCIAL STATEMENTS FOR ISSUE

The financial statements for the financial year ended 31 December 2021 were authorised for issue in accordance with a resolution of the Directors on 14 April 2022.

#### 7. Authority to Allot and Issue Shares

THAT pursuant to Section 161 of the Companies Act 1967 (the “**Companies Act**”) and subject to Rule 806 of the Listing Manual of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”), authority be and is hereby given to the Directors of the Company to (a) allot and issue shares in the capital of the Company (“**Shares**”) whether by way of rights, bonus or otherwise; (b) make or grant offers, agreements or options (collectively, “**Instruments**”) that might or would require Shares to be allotted and issued, or other transferable rights to subscribe for or purchase Shares including but not limited to the creation and issue of warrants, debentures or other instruments convertible into Shares; (c) issue additional Instruments arising from adjustments made to the number of Instruments previously issued in the event of rights, bonus or capitalisation issues, at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may in their absolute discretion deem fit; and/or (d) (notwithstanding that the authority conferred by this Resolution may have ceased to be in force) to issue Shares in pursuance of any Instruments made or granted by the Directors while this Resolution was in force, provided that:-

- (i) the aggregate number of Shares to be issued pursuant to this Resolution (including Shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) does not exceed fifty per cent (50%) of the total issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company, of which the aggregate number of Shares to be issued other than on a pro-rata basis to shareholders of the Company (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) does not exceed twenty per cent (20%) of the total issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company;
- (ii) for the purpose of determining the aggregate number of Shares that may be issued (subject to such manner of calculation as may be prescribed by SGX-ST) under sub-paragraph (i) above, the percentage of issued share capital shall be based on the issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time this Resolution is passed, after adjusting for (1) new Shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards that are outstanding or subsisting when this Resolution is passed; and (2) any subsequent consolidation or sub-division of shares;

## NOTICE OF ANNUAL GENERAL MEETING

- (iii) in exercising the authority conferred by this Resolution, the Company shall comply with the provisions of the Listing Manual of the SGX-ST for the time being in force (unless such compliance is waived by the SGX-ST) and the Company's Constitution; and
- (iv) unless revoked or varied by the Company in general meeting, such authority shall continue in force until the conclusion of the next Annual General Meeting of the Company, or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier.

[See Explanatory Note (ii)]

[Resolution No. 7]

### 8. Renewal of Shares Repurchase Mandate

That: -

- a. for the purposes of Section 76E of the Companies Act, the exercise by the Directors of the Company of all the powers to purchase or otherwise acquire issued ordinary shares in the capital of Company ("**Ordinary Shares**") not exceeding in aggregate the Maximum Percentage (as hereafter defined), at such price or prices as may be determined by the Directors from time to time up to the Maximum Price (as hereafter defined), by way of Market Purchase(s) (as hereafter defined) and otherwise in accordance with all other laws, regulations and rules of the SGX-ST as may for the time being be applicable, be and is hereby authorised and approved generally and unconditionally (the "**Shares Repurchase Mandate**");
- b. unless varied or revoked by the Company in general meeting, the authority conferred on the Directors of the Company pursuant to the Shares Repurchase Mandate may be exercised by the Directors at any time and from time to time during the period commencing from the date of the passing of this Resolution and expiring on the earlier of:
  - (i) the date on which the next Annual General Meeting of the Company is held or required by law to be held, wherever is earlier; or
  - (ii) the date on which the authority conferred by the Shares Repurchase Mandate is revoked or varied in a general meeting; or
  - (iii) the date on which the purchases or acquisitions of Ordinary Shares by the Company pursuant to the Shares Repurchase Mandate are carried out to the full extent mandated;
- c. in this Resolution:-
  - "**Market Purchase**" means on-market purchases or acquisitions of Ordinary Shares through the SGX-ST's trading system undertaken by the Company in accordance with the Companies Act;
  - "**Maximum Percentage**" means that number of Ordinary Shares representing five per cent (5%) of the issued ordinary share capital of the Company as at the date of the passing of this Resolution (excluding Ordinary Shares which are held as treasury shares and subsidiary holdings); and
  - "**Maximum Price**" in relation to an Ordinary Share to be purchased or acquired, means the maximum purchase price (excluding brokerage, commission, applicable goods and services tax and other related expenses), which shall not exceed hundred and five per cent (105%) of the average closing price of an Ordinary Share over the period of five (5) market days on which the transactions in the Ordinary Shares on the SGX-ST were recorded before the day on which such purchase is made and deemed to be adjusted for any corporate action that occurs after the relevant five (5) market days period; and
- d. the Directors of the Company be and are hereby authorised to complete and do all such acts and things (including executing such documents as may be required) as they may consider expedient or necessary to give effect to the transactions contemplated and/or authorised by this Resolution.

[See Explanatory Note (iii)]

[Resolution No. 8]

BY ORDER OF THE BOARD

Yoo Loo Ping  
Company Secretary  
Singapore, 14 April 2022

## NOTICE OF ANNUAL GENERAL MEETING

### Explanatory Notes:

- (i) Mr. Tan Eng Teong will, upon re-election as a Director of the Company, remain as the Executive Chairman/Managing Director of the Company.

Mr. Hui Chiu Fung will, upon re-election as a Director of the Company, remain as the Independent Non-Executive Director of the Company, and a member of the Remuneration Committee. He will be considered independent for the purposes of Rule 704(8) of the Listing Manual of the SGX-ST.

The key information of Mr. Tan Eng Teong and Mr. Hui Chiu Fung as required pursuant to Appendix 7.4.1 of the Listing Manual of the SGX-ST can be found on pages 104 to 109 of the annual report for the financial year ended 31 December 2021 (the “FY2021 Annual Report”).

- (ii) The Ordinary Resolution 7 proposed in item 7 above, if passed, will empower the Directors of the Company, from the date of the AGM effective until the conclusion of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue Shares, make or grant Instruments convertible into Shares and to issue Shares pursuant to such Instruments, without seeking any further approval from shareholders in general meeting but within the limitation imposed by this Ordinary Resolution, for such purposes as they consider would be in the interests of the Company, up to a number not exceeding, in total, 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company, of which up to 20% may be issued other than on a pro-rata basis to shareholders.

For determining the aggregate number of Shares that may be issued, the total number of issued Shares (excluding treasury shares and subsidiary holdings) will be calculated based on the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time this Ordinary Resolution is passed after adjusting for new Shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time when this Ordinary Resolution is passed and any subsequent bonus issue, consolidation or subdivision of Shares.

- (iii) The Ordinary Resolution 8 proposed in item 8 above, if passed, will empower the Directors of the Company, effective until the conclusion of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held, or the date on which the authority conferred by the Shares Repurchase Mandate is revoked or varied in a general meeting, or the date on which purchases and acquisitions of shares pursuant to the Shares Repurchase Mandate are carried out to the full extent mandated, whichever is the earlier, to repurchase ordinary shares of the Company by way of on-market purchases of up to 5% of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the Maximum Price. Information relating to this proposed Resolution are set out in the Appendix attached to this Notice of AGM.

### IMPORTANT NOTICE FOR SHAREHOLDERS:

The Company’s AGM is being convened and will be held by electronic means pursuant to the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020.

Printed copies of the documents relating to the AGM, including this Notice of AGM, Appendix to Notice of AGM, the proxy form and the FY2021 Annual Report will NOT be despatched to shareholders of the Company. Instead, copies of the documents and information relating to the AGM have been made available on SGXNet and the Company’s corporate website and may be accessed at the following URLs:

- (a) <https://www2.sgx.com/securities/company-announcements>; or  
(b) [www.ghihotels.com](http://www.ghihotels.com).

Shareholders should take note of the following arrangements for the AGM:

- (a) **Participation in the AGM via live webcast or live audio feed**

The AGM will be conducted only by way of electronic means, and shareholders will **not** be able to attend the AGM in person. Shareholders will also **not** be able to vote online on the resolutions to be tabled for approval at the AGM. Shareholders may instead participate in the AGM by:-

## NOTICE OF ANNUAL GENERAL MEETING

- (i) Observing and/or listening to the proceedings of the AGM through a “live” audio-visual webcast and “live” audio-only feed;
- (ii) Submitting questions in relation to any agenda item in this notice of AGM in advance of the AGM; and/or
- (iii) Appointing the chairman of the AGM (“**Chairman**”) as proxy to vote on their behalf in accordance with their vote instructions.

Details of the steps for pre-registration, pre-submission of questions and voting at the AGM are set out in items (b) to (e) below.

### (b) Pre-registration for AGM

Shareholders, including investors who hold shares through the Central Provident Fund (“**CPF**”) and/or Supplementary Retirement Scheme (“**SRS**”), who wish to follow the proceedings of the AGM must pre-register online at <https://smartagm.sg/HGCLAGM2022> not later than **26 April 2022, 11.00 a.m.** (“**Pre-Registration Deadline**”) for verification purposes. Following successful verification, an email with instructions on how to join the live webcast or audio feed of the AGM proceedings will be sent to the registered shareholders via email by 28 April 2022, 5.00 p.m. Shareholders must not forward the email instruction to other persons who are not shareholders and who are not entitled to attend the AGM proceedings. This is also to avoid any technical disruptions or overload to the AGM proceedings.

Investors holding shares through relevant intermediaries (as defined in Section 181 of the Companies Act (“**Investors**”) (other than CPF/SRS investors) will not be able to pre-register for the live webcast of the AGM. An Investor who wishes to participate in the live webcast of the AGM should approach his/her relevant intermediary as soon as possible in order to make the necessary arrangements. The relevant intermediary is required to submit a consolidated list of participants (setting out in respect of each participant, his/her name, email address and NRIC/Passport number), via email to the Company at [AGM.TeamE@boardroomlimited.com](mailto:AGM.TeamE@boardroomlimited.com) not later than **26 April 2022, 11.00 a.m.**

Shareholders and Investors who have registered by the Pre-Registration Deadline but did not receive the aforementioned email by **28 April 2022, 5.00 p.m.** should contact the Company by email to [AGM.TeamE@boardroomlimited.com](mailto:AGM.TeamE@boardroomlimited.com).

### (c) Submission of Questions

Shareholders and Investors will not be able to ask questions during the AGM live webcast.

Shareholders and Investors who have questions in relation to any agenda item in this notice of AGM can submit their questions to the Company in advance, by **21 April 2022**, through any of the following means:

- (a) via the pre-registration website at <https://smartagm.sg/HGCLAGM2022>;
- (b) by email to [AGM.TeamE@boardroomlimited.com](mailto:AGM.TeamE@boardroomlimited.com); or
- (c) by post to the Share Registrar, Boardroom Corporate & Advisory Services Pte Ltd, at 1 Harbourfront Avenue, #14-07 Keppel Bay Tower, Singapore 098632.

Shareholders and/or Investors must identify themselves when posting questions through email or mail by providing the following details:

- (i) Full Name;
- (ii) Contact Telephone Number;
- (iii) Email Address; and
- (iv) The manner in which you hold shares (if you hold shares directly, please provide your CDP account number; otherwise, please state if you hold your shares through CPF or SRS, or are a relevant intermediary shareholder).

Shareholders and Investors are strongly encouraged to submit their questions via the pre-registration website or by email. The Company will endeavour to respond to all substantial and relevant questions through an announcement on SGXNet at the URL <https://www2.sgx.com/securities/company-announcements> and the Company’s website at the URL [www.ghihotels.com](http://www.ghihotels.com)) by 23 April 2022.

## NOTICE OF ANNUAL GENERAL MEETING

Follow up questions which are submitted after 21 April 2022 will be consolidated and addressed either before the AGM via an announcement on SGXNet and the Company's website or at the AGM. The Company will publish the minutes of the AGM, which will include responses from the Board and management of the Company on the substantial and relevant questions received from Shareholders and Investors via an announcement on SGXNet and the Company's website within one (1) month after the AGM.

### (d) Voting at the AGM by appointing Chairman as Proxy (Submit a Proxy Form)

*For Investors who hold shares through relevant intermediaries please refer to item (e) for the procedures to vote at the AGM.*

Shareholders will only be able to vote at the AGM by appointing the Chairman as proxy to vote on their behalf. Duly completed Proxy Forms must be submitted through any of the following means not later than **26 April 2022, 11.00 a.m.** (being no later than 72 hours before the time appointed for holding the AGM) and in default the instrument of proxy shall not be treated as valid:

- (i) by email, a copy to [AGM.TeamE@boardroomlimited.com](mailto:AGM.TeamE@boardroomlimited.com); or
- (ii) by post, be deposited to the Share Registrar, Boardroom Corporate & Advisory Services Pte Ltd, at 1 Harbourfront Avenue, #14-07 Keppel Bay Tower, Singapore 098632.

The Proxy Form has been made available on SGXNet and the Company's corporate website and may be accessed at the URLs <https://www2.sgx.com/securities/company-announcements> and [www.ghihotels.com](http://www.ghihotels.com).

In appointing the Chairman of the Meeting as proxy, the Shareholder (whether individual or corporate) must give specific instructions as to voting, or abstentions from voting, in respect of a resolution in the Proxy Form, failing which the appointment of the Chairman of the Meeting as proxy for that resolution will be treated as invalid.

Please refer to the detailed instructions set out in the Proxy Form.

### (e) Voting at the AGM by Relevant Intermediary Investors and CPF/SRS Investors

Relevant Intermediary Investors (including CPF/SRS investors) who wish to appoint the Chairman as their proxy to vote at the AGM should not make use of the Proxy Form and should instead approach their respective relevant intermediaries as soon as possible to specify voting instructions. CPF/SRS investors who wish to vote should approach their respective CPF agent banks or SRS approved banks or depository agents to submit their votes by **20 April 2022, 11.00 a.m.**, being at least seven (7) working days before the AGM, in order to allow sufficient time for their respective relevant intermediaries to in turn submit a Proxy Form to appoint the Chairman to vote on their behalf not later than **26 April 2022, 11.00 a.m.**

### Personal Data Privacy:

"Personal data" in this notice of AGM has the same meaning as "personal data" in the Personal Data Protection Act 2012, which includes your name, address and NRIC/Passport number. By submitting (a) an application to pre-register for participation in the AGM; (b) questions relating to the resolutions to be tabled for approval at the AGM; and/or (c) an instrument appointing Chairman of the AGM as proxy to vote at the AGM and/or any adjournment thereof, a member of the Company hereby consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers including any organisations the Company has engaged to perform any function related to the AGM) for the purposes of, (i) verifying the member's information and processing of the member's application to pre-register to participate in the AGM and providing the member with any technical assistance where possible; (ii) addressing any selected questions submitted by the member and following up with the member where necessary, and responding to, handling, and processing queries and requests from the member; (iii) the processing and administration by the Company (or its agents or service providers including any organisations the Company has engaged to perform any function related to the AGM) of proxy forms appointing Chairman of the AGM (including any adjournment thereof); and (iv) the preparation, compilation and disclosure (as application) of the attendance lists, minutes, questions from members and other documents relating to the AGM (including any adjournment thereof), and in order for the Company (or its agents or service providers including any organisations the Company has engaged to perform any function related to the AGM) to comply with any applicable laws, listing rules, regulations and/or guidelines.

## ANNUAL GENERAL MEETING PROXY FORM

### IMPORTANT:

1. This AGM (as defined below) is being convened, and will be held by way of electronic means pursuant to the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020. Alternative arrangements relating to, among others, attendance, submission of questions in advance and/or voting by proxy at the AGM are set out in the Notice of AGM dated 14 April 2022 which has been uploaded on SGXNet at <https://www2.sgx.com/securities/company-announcements> and the Company's website at [www.ghihotels.com](http://www.ghihotels.com) on the same day.
2. A shareholder will not be able to attend the AGM in person. If a shareholder (whether individual or corporate) wishes to exercise his/her/its voting rights at the AGM, he/she/it must appoint the Chairman of the Meeting as his/her/its proxy to vote on his/her/its behalf at the AGM. In appointing the Chairman of the Meeting as proxy, a shareholder (whether individual or corporate) must give specific instructions as to voting, or abstentions from voting, in respect of a resolution in this Proxy Form, failing which the appointment of the Chairman of the Meeting as proxy for that resolution will be treated as invalid.
3. This proxy form is not valid for use by investor holding shares through relevant intermediaries ("Investors") (including Investors holding through Central Provident Fund ("CPF"), or Supplementary Retirement Scheme ("SRS")) ("CPF/SRS Investors") and shall be ineffective for all intents and purposes if used or purported to be used by them. An Investor (other than CPF/SRS Investors) who wishes to vote should instead approach his/her relevant intermediary as soon as possible to specify voting instructions. A CPF/SRS Investor who wish vote should approach his/her CPF and/or SRS Approved Nominees to submit their votes at least seven (7) working days before the AGM.
4. By submitting this proxy form, the shareholder accepts and agrees to the personal data privacy terms set out in the Notice of AGM dated 14 April 2022.
5. Please read the notes overleaf which contain instructions on, inter alia, the appointment of the Chairman of the Meeting as a shareholder's proxy to vote on his/her/its behalf at the AGM.

This Proxy Form has also been made available on SGXNet and the Company's corporate website and may be accessed at the following URLs: <https://www2.sgx.com/securities/company-announcements> and [www.ghihotels.com](http://www.ghihotels.com).
